Date of activity	1st June 2021 to 30th July 2021
Venue	TATA Hospital, Parel

No. of volunteers: 5 per day.

Total beneficiaries: 5184 packets (81 Packets daily)

Targeted Audience: Patients and their family members.

Objective: To provide patients and their families with daily need of nutritious food in tough times of pandemic.

Preparation: All volunteers were informed a day prior to the activity.

Time of Activity: 11:00 Am. To 1:00 Pm.

Procedure: Volunteers gathered at the Golden Jubilee near TATA Hospital. Volunteers started preparing 15 minutes prior for the food distribution which started from 11 am onwards. There were 3 crates that needed to be distributed amongst the patients and their family members. Volunteers requested patients and their respective family members to adhere to social distance norms and wear their masks properly to avoid the spread of Covid-19 virus. We made sure they were comfortable in the queue and had enough space between them. The food packets were distributed one by one to the patients and their family, volunteers made sure there was a dustbin where the packets were disposed of responsibly. Once all the food packets were distributed, the crates were handed to the members of the Annamrita Foundation and then the activity for the day was concluded. This activity was held daily from 19th May 2021 to 2nd August 2021 except on Sundays. Volunteers successfully distributed 5184 packets.

Conclusion: Volunteers helped the Annamrita Foundation in the smooth distribution of food packets by following Covid-19 protocols given by Central and state government.

Venue	A Block
Time	9:00 A.M. to 10:00 A.M.
No. of Participants	156

We all love our freedom and respect it. Independence day celebration is the symbol of our freedom. It is this day that makes us feel proud of the beautiful free India and also about the sacrifices made by our soldiers and freedom fighters. Here at ISBR, we celebrated Independence day in a simple yet very memorable manner.

We had Mr. Milind Tadvalkar, Director, VDT as our chief guest. He gave a brilliant speech on the significance of this day with a very special message of respecting our soldiers and freedom fighters' sacrifices by living for the country, and respecting our country as our mother. At 9:00 a.m., the flag was raised.

All three institutes' principals Dr. Rohini Kelkar, Principal of VSIT, Mr. Ashish Ukidve, Principal of VP, Dr. Sunil Patekar, Principal of VIT evidenced patriotism by attending the ceremony with their staff and students.

Following the flag-raising ceremony, NSS and DLLE performed a number of street plays on the theme of patriotism. It was really amazing with a touch of sentiment that gave us a constant reminder about the sacrifices made by our brave soldiers and the respect that they deserve.

The entire ceremony went off without a hitch and was completed successfully.

Jayashree Foundation puts radium collars on 80+ dogs

The initiative was undertaken under Bark for Life campaign

By Siddhesh Wankar

City based NGO, Jayashree Foundation, organised a reflective collar hale drive for stray dogs in Nerul, Seawoods, Juinagar and Sanpada. More than eighty dogs were collared during the campaign "Bark for Life" on November 28, 2021.

"It was a great campaign and we have got a good start to it. This shall continue and we will keep putting collars around the necks of as many stray dogs as possible", said Vaibhav Jadhav, Founder, Jayashree Foundation.

The event was supported by the National Service Scheme (NSS) unit of Vidyavardhini Institute of Technology. A total of 35 volunteers including 15 NSS volunteers and 15 members from the Jayashree Foundation participated in the campaign.

"This event gave us a unique experience and has converted the noise into best memories," said Jayesh Sahiyan, NSS volunteer.

"Our aim was to put collar around 100 dogs, but few of them did not like getting collared and ran away. However, to make the dogs feel comfortable we gave them dog food and biscuits", said Vaibhav Jadhav. The members and NSS volunteers will continue the drive in their respective areas.

"We have also targeted areas in Chembur. We would like to collar all the stray dogs in the city", says Jadhav.

The song was sung by Bhakti, Apurva, Avanti and instrumentalist Shreyas and Shashank. After which started the series of wonderful performances performed by the students of Bammc of all years.

The first performance was a song Mashup (Aashiqui 2): Sung by – Avanti, Apurva Shashank and Atharva. Their melodious voices entranced the audience and sung along with the performers. It was followed by a new genre of culture known as Rapping performed by Rashi, which grabbed the attention of a lot of audience as the words of it were very enticing.

Next we had a singing performance by the students of second year and the third year mixed these were SY: Shashank, Apurva, Avanti and Atharva. TY: Bhakti, Shreyas and Sakshi. The combination of students started an involuntary support for their classmates by the audience. i.e a small harmless support competition.

Next up in the cultural event was a classical dance performed by Tanishqa, which has always been a crowd favourite. We also had an act performed by Raj, depicted on the life of Bhagat Singh, which had us all emotional by the end of it.

Our last performance of the event was a cultural mix dance performed by Tanishqa(Classical), Meghna(Bhaangra), Anuja(Raasthani). Shrushti(Laavni) and Amitesh(HipHop).

We also had a surprise visit by two ex students of Bammc who were asked a few questions on their past experiences of their years on campus.
