Message from the Principal

Dear Parents and Students, It is with great pleasure that I welcome you on behalf of the Vidyalankar Family to the web site of Vidyalankar School of Information Technology (VSIT) which awakens a sense of cultural and intellectual growth among all the stakeholders. We dedicatedly follow our vision "Motivating students to apply the Scientific and Technological knowledge to develop problem solving capabilities." We bring 21st century technology into learning in meaningful ways to engage, motivate, and inspire learners of all ages to be global citizens in the true sense. Here, at VSIT we are committed to the best. The level of energy of our teachers and staff is well matched by the vibrancy of our student body and community at large. Various activities are designed and conducted in such a way that our long-term vision is attained by day-to-day execution.

Our Educational Institute is an extraordinary place where we are committed to working closely with each other. Our staff works diligently to maintain high educational standards. Our curriculum is rigorous and challenging. Teachers design instructions to integrate a variety of innovative technological tools and resources to enhance learning. We want to ensure that all our students will be competitive in the 21st century. Our goal is to teach students to think critically, to solve problems, to communicate and to utilize technology in relevant ways throughout their life. Students gain a deep understanding of concepts and build fluency with academic skills that are imbedded in the research-driven curriculum created by our knowledgeable Faculties. We strive to create an environment where each and every student is given the attention necessary to achieve his/her individual success.

We empower the youth through value based education and leadership and therein help the students to contribute to the local and global community in a collaborative and respectful manner, as we truly believe in this Chinese proverb – "I hear and I forget, I see and I remember, I do and I understand". We pride ourselves in instilling each student that Technology can become the wings that will allow the educational world to fly farther and faster than ever before. We believe that "Education is to turn mirrors into windows".

We count on you to partner with us to continue our mission to provide a world class education to each student. We feel privileged to work with your children. If you have ideas, thoughts, or concerns you'd like to share, we'd like to hear about them. Come and visit our extraordinary facility and infrastructure unique in Mumbai.

Dr. (Mrs). Rohini Kelkar

INTRODUCTION

Vidyalankar School of Information Technology (VSIT) is a part of Vidyalankar Dnyanpeeth Trust situated in Mumbai and is affiliated to the University of Mumbai. It was established in the year 2002. VSIT offers both graduate and post-graduate programmes in the subjects of Information Technology, Commerce and Management. It is a NAAC accredited college that aims to impart Quality Education in the field of Science, Commerce and Management. VSIT has tie-ups with renowned Foreign Universities like Penn State University, Rutgers University, California State University, University of Toledo, University of South Carolina and many more. The mission of the institute concerns the creation of an educational environment where students can reach their full potential in their chosen discipline and also a scholarly environment where the talents of both the faculty members and students are nurtured and used to create knowledge and technology for the benefit of the society. Fostered in the values expounded by the erudite founders C. S. Deshpande and Dr. Sanjeewani Deshpande and currently propelled under the able leadership of the zealous Vishwas Deshpande, VSIT is driven to set the highest standards in teaching and research.

Vision

Our Vision is to establish a leading center of imparting Quality Education in the field of Science, Commerce and Management with emphasis on:
- Ensuring that students learn the fundamental concepts in various disciplines.
- Motivating students to apply the Scientific & Technological knowledge to develop problem solving capabilities.
- Making students aware of the societal and environmental needs with specific appreciation of the emerging global context.

Mission

- An educational environment where students can reach their full potential in their chosen discipline and become responsible citizens without compromising in ethics.
- A scholarly environment where the talents of both, The faculty members and students are nurtured and used to create knowledge and technology for the benefit of the society.

Core Values

Vidyalankar believes that character-building is an important step towards nation-building. Nurturing young minds is a vital responsibility. Vidyalankar Values are the set of ideals which guide the attitudes and behaviour of the members of the Vidyalankar family. It is said that there are no short-cuts on the road to success. Educating students on ethics, to differentiate between right and wrong and motivating them to choose the right path is imperative. The following values are interspersed in all aspects of the teaching-learning process.

→ Honesty

Being true to oneself and others; being trustworthy and straightforward in all our professional and personal dealings. To walk on the path of honesty and fairness, irrespective of the consequences that may ensue.

→ Integrity

Unwaveringly adhering to moral and ethical principles and upholding righteous behaviour. Developing strength of character, which is absolutely incorruptible at any point in the teaching-learning process and in one's academic and professional life.

→ Excellence

Setting high standards and quality benchmarks for one self and endeavouring to reach them. Doing the very best one can in every task that one accomplishes. Aiming for personal, academic and professional excellence and never compromising with mediocrity.

→ **Responsibility**

Being aware of and shouldering one's responsibilities towards self, institute, home and society. Acquire the inner belief to fulfil one's responsibilities to the best of one's abilities. Being accountable for one's actions; practicing what one preaches and leading by example.

→ **Commitment**

Complete dedication and thorough engagement towards work. Inculcating loyalty and developing a sense of ownership. To be sincere in approach, adhere to deadlines and have a result-oriented approach.
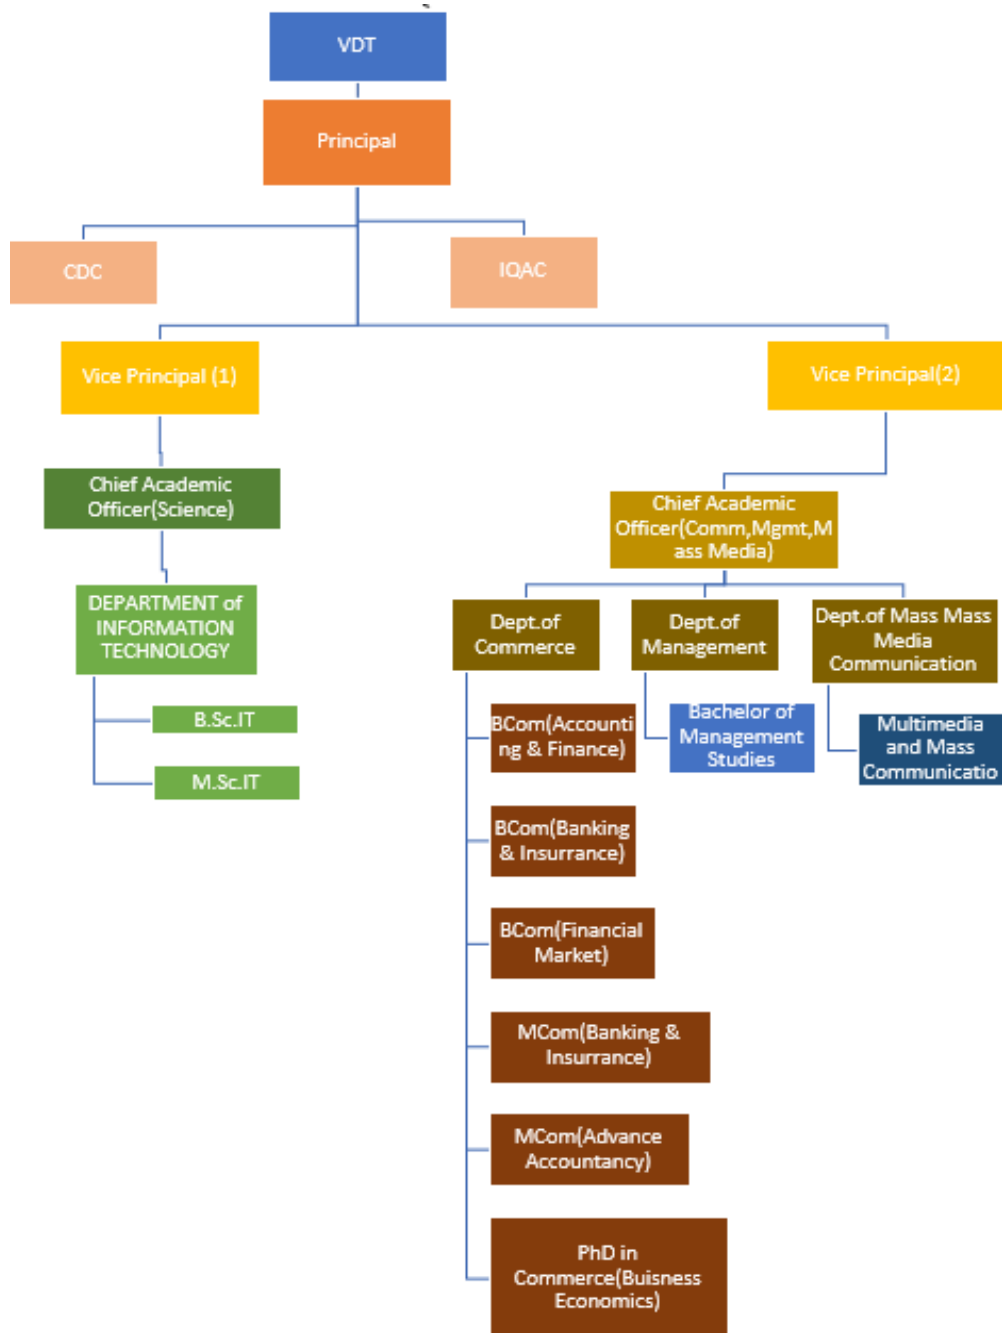

→ **Salubrious Attitude**

Nurturing and promoting a feeling of well-being and a healthy and wholesome academic and professional environment. An attitude that is favourable to develop a healthy body, mind and character.

7	Presentation and approval of budget

QUALITY ASSURANCE

Quality initiative by IQAC

Internal Quality Assurance Cell of VSIT is constantly working on the quality improvement in various areas. IQAC has adopted quality improvement strategies in areas like curriculum development, teaching-learning, examination and evaluation, research and development, students' progression, Holistic Development of Students and Faculty etc.

IQAC has contributed significantly for institutionalizing the quality assurance strategies and processes:

- Preparation of Annual Quality Assurance Report (AQAR) 2019-20 & Data collection and compilation for 2020-21
- Regular conduct of IQAC Meetings
- Academic Administrative Plan presentation for all programs in every semester
- Institutional Committee review and preview conducted semester wise
- Departmental presentation Review and Preview semester wise
- Feedback collection from students and other stakeholders
- Organising regular College Development Committee meetings and assuring action taken on board recommendations
- Organising Faculty development programs at regular intervals.
- Around 2000 Students undertook Online MOOC (massive open online courses), NPTEL and SWAYAM Courses in various domains.
- 12 certification courses in association with IIT Bombay, Microsoft, Google, Oracle were offered to students.
- 28 Value Added courses and 6 bridge courses were undertaken to enhance skill development.
- The institute conducted a 5-Days MS Teams training sessions for teaching and non-teaching staff to assist the shift to the new normal of Online Teaching Learning and Administration
- Fully automated online library was set up to enable maximum knowledge access and usage by the students and faculty members during lockdown
- E Content (V Refer), a learning resource portal for students in use prior to the pandemic, continued to be in use and was frequently updated across courses and programmes to ensure easy access to learning material
- Video Library (MS Streams) was built with online lecture learning videos to assist revision and learning.
- Faculty members participated in 16 Major and Minor Funded projects (ICSSR, University of Mumbai and VDT)
- Online conferences and workshop were organized by R&D Committee
- 64 Research Papers were published by the faculty members in Scopus, UGC Listed and Reputed Journals
- The institute applied for ISSN (Pradnya Journal)
- E-cell Activities enabled students to sharpen their skills and expand their knowledge to make them market-ready
- Skill Development and Capacity Building Programs were conducted aligned with course outcomes and objectives

- Competitive exams preparations, Career guidance sessions, Preplacement activities helped students prepare for the job market and also to refine their interpersonal skills
- The institute organized One Week Online International Conclave that witnessed the assembly of the best thinkers, experts and visionaries to guide academics.
- Online co-curricular/ Extra Curricular/ Sports Activities continued in spite of the challenges and brought the best of teacher-learner interaction, practical skill development and self-awareness to fruition.
- Alumni contribution enabled current learners to connect to their predecessors and gain an insight to prepare them for their academic life.
- Students' representation was witnessed in large numbers in College Development Committee, IQAC, Students Council, IEEE, Placement Cell, NSS, DLLE, Commerce Association, Enactus Management Club, E Cell
- Publications such as the College Newsletter document college life
- Numerous Guest lectures, workshops, webinars, educational tours, conclaves, symposium, NSS/ DLLE activities, Sports, Extracurricular activities etc. were organized on virtual platform leading to holistic development of the students.
- NSS/ DLLE Activities foster the spirit of social responsibilities and awareness
- Promotion of gender equity through different activities generated a keen sense of gender sensitivity and awareness of gender bias
- Sensitization of students and employees to the constitutional obligations like values, rights, duties and responsibilities of citizens through various activities
- Institutional efforts/initiatives were undertaken to provide an inclusive environment that abound in tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities.
- Code of conduct is instructed to students, teachers and administrative staff
- The institution regularly organizes national and international commemorative days, events and festivals
- Organized UGC HRDC University of Mumbai RUSA Sponsored Online Refresher Course in Data Analytics and Business Intelligence.
- Applied for new UG/ PG Courses (Data Science, MCom in Business Management)
- Applied for additional divisions for BAMMC and MScIT
- Preparation for Academic Audit, Administrative Audit, Gender Audit, Green Audit, IT Audit and NIRF Process.
-

VCMT 2021 - International Multi-Disciplinary Conference Theme: "Embracing Change and Transformation: Vision 2025"

Vidyalankar School of Information Technology organized its third annual International Conference, VCMT 2021 on the theme "Embracing Change and Transformation: Vision 2025". The conference got outstanding response from research scholars, academicians, subject experts, and eminent personalities from Kashmir to Kanyakumari, across India and abroad.

Speakers:

The conference included distinguished keynote addresses with speakers from both industry and academia who highlighted the plenary as well as the presentation session like:

Chief Guest Padma Shri Ujjwal Nikam, Indian Special Public Prosecutor spoke on the way confidence helped him handle many critical cases like Gulshan Kumar murder case, Pramod Mahajan Murder case, Shakti Mill Gang-rape case, and many more without having any personal grudges towards criminals. He believes one must be himself and stay true towards their work.

Keynote Speaker & Guest of Honour Mr. V.V. Lakshminarayana, Ex-Additional Director General of Police & Former Jt. Director CBI, India focused on the need of skill development and innovation in the fields of artificial intelligence and genetic revolution, he cited various examples of world leaders and innovators with their role in revolution, creativity, and imagination for successful building of ventures.

Panellist:

Dr. Pankaj Koinkar, Associate Professor, Tokushima University, Japan shared his valuable insights on Impact of higher education and online learning. He placed emphasis on Reforms and replacement of traditional teaching by sharing the well-known techniques used throughout the globe. He mentioned on the research practice to be cultivated for a teacher and students' growth.

Dr. Harish Shetty, Leading Psychiatrist, Mumbai mentioned on the qualities like compassion which acts like oxygen to human beings further adding optimism and sharing happiness during this tough time can help someone sail through this COVID-19. He added one must keep going in highs and lows to enjoy the canvas of life.

Dr. Manali Londhe, Principal, S.K. Somaiya College began with "Transformation is not just a destination but it's a process" further she is focused on 3A's those are Awareness, Acceptance and Action giving a corelation from Bhagavad Gita which mentions Mental wellbeing needs more nourishment than material wellbeing.

Dr. Chandrahas Deshpande, Professor (Economics) Welingkar Institute of Management Development and Research spoke on the economic challenges at national and global level and adoption of new policies by the government with the ways to measure those policies. He further added on the need of transformation required to sustain in the changing economy.

Technical Session:

Dr. Jyotsna Golhar, Assistant Professor VIT and Dr. Swagatika Nanda, Assistant Professor VSIT were the resource person for the presentation session they evaluated 13 technical presentations they gave insights on the mathematical models to be used, data analysis techniques, creation of survey questions

and methods to conclude the results. It was a helpful session for all the presenters.
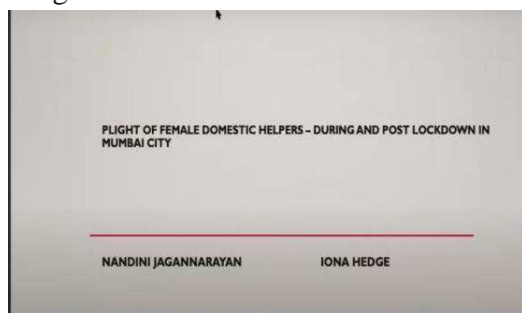

Of these the 13 technical presentation three best papers were selected:

First prize was bagged by Ms. Nanini Jagannarayan and Iona Hegde and their topic were "Plight Female Domestic Helpers during post Lockdown in Mumbai City".

Second prize was conferred to Mr. Syed Ahmed Saad and Mr. Mohammad Azvar Khan who presented

a paper on the topic "Social Entrepreneurship and Social Innovation: Revisiting Select Indian Cases."

Third prize was given to Ms. Neha Soly, Kevin Benny and Mary Rani Thomas and their topic was

"Technological Perspective of Education for Generation Z and Generation Alpha.

Paper Analysis:

The conference received an overwhelming response with 230 registrations from 14 different states of India of which 137 total number of papers were received. We also received request from multiple research scholars for presentation of their papers of which 2 papers were selected so they could get quality inputs and present their journal with our Scopus publication. The graph above indicates the publication of papers.

Publication Details:

All the presenters had the option of publishing their papers in any of the following journals the process of publication was:

Sending a 250-300 words abstract

If the abstract met the conference standard authors were asked to send their papers which were further scrutinized for quality check in terms of conference theme, work, findings, and plagiarism.

If the paper withstands the above parameters, it went for further publication as per.

ISBN	UGC	Scopus
Our own publication with ISBN No.: 978-93-5445-710-4, Chief Editor: Dr. Mrs. Rohini Kelkar	Listed in Group 1 journals Name: Sambodhi ISSN No: 2249-6661	Will be finalized in the month of March, due to delisting of journals happening in the month of February.

PERSPECTIVE PLAN 2019–2024

Strategic Intent

Vidyalankar School of Information Technology will be recognized as one of the top institute in Mumbai offering science, commerce, management and arts programes. We aim to be known for our excellence in ICT enabled teaching-learning processes and beyond syllabus activities in next five years.

About Vidyalankar School of Information Technology

Vidyalankar School of Information Technology (VSIT) is a part of Vidyalankar Dnyanpeeth Trust situated in Mumbai and is affiliated to the University of Mumbai. It was established in the year 2002. VSIT offers both graduate and post-graduate programmes in the subjects of Information Technology, Commerce and Management. It is a NAAC accredited college that aims to impart Quality Education in the field of Science, Commerce and Management. VSIT has tie-ups with renowned Foreign Universities like Penn State University, Rutgers University, California State University, University of Toledo, University of South Carolina and many more. The mission of the institute concerns the creation of an educational environment where students can reach their full potential in their chosen discipline and also a scholarly environment where the talents of both the faculty members and students are nurtured and used to create knowledge and technology for the benefit of the society. Fostered in the values expounded by the erudite founders C. S. Deshpande and Dr. Sanjeewani Deshpande and currently propelled under the able leadership of the zealous Vishwas Deshpande, VSIT is driven to set the highest standards in teaching and research.

VISION, MISSION AND VALUES

Vision

Our Vision is to establish a leading center of imparting Quality Education in the field of Science, Commerce and Management with emphasis on:

- Ensuring that students learn the fundamental concepts in various disciplines.

- Motivating students to apply the Scientific & Technological knowledge to develop problemsolving capabilities.

- Making students aware of the societal and environmental needs with specific appreciation of theemerging global context.

Mission

- An educational environment where students can reach their full potential in their chosen discipline and become responsible citizens without compromising in ethics.
- A scholarly environment where the talents of both, the faculty members and students are nurtured and used to create knowledge and technology for the benefit of the society.

Core Values

Vidyalankar believes that character-building is an important step towards nation-building. Nurturing young minds is a vital responsibility. Vidyalankar Values are the set of ideals which guide the attitudes and behaviour of the members of the Vidyalankar family. It is said that there are no short-cuts on the road to success. Educating students on ethics, to differentiate between right and wrong and motivating them to choose the right path is imperative. The following values are interspersed in all aspects of the teaching-learning process.

→ Honesty

Being true to oneself and others; being trustworthy and straightforward in all our professional and personal dealings. To walk on the path of honesty and fairness, irrespective of the consequences that may ensue.

→ Integrity

Unwaveringly adhering to moral and ethical principles and upholding righteous behaviour. Developing strength of character, which is absolutely incorruptible at any point in the teaching-learning process and in one's academic and professional life.

→ Excellence

Setting high standards and quality benchmarks for one self and endeavouring to reach them. Doing the very best one can in every task that one accomplishes. Aiming for personal, academic and professional excellence and never compromising with mediocrity.

→ Responsibility

Being aware of and shouldering one's responsibilities towards self, institute, home and society. Acquire the inner belief to fulfil one's responsibilities to the best of one's abilities. Being accountable for one's actions; practicing what one preaches and leading by example.

→ Commitment

Complete dedication and thorough engagement towards work. Inculcating loyalty and developing a sense of ownership. To be sincere in approach, adhere to deadlines and have a result-oriented approach.

→ Salubrious Attitude

Nurturing and promoting a feeling of well-being and a healthy and wholesome academic and professional environment. An attitude that is favourable to develop a healthy body, mind and character.

INSTITUTE STEERING COMMITTEE:

- Principal, VSIT
- Vice Principal (Science)
- Vice Principal (Commerce, Management and Arts)
- Chief Academic Officer (Science)
- Chief Academic Officer (Commerce, Management and Arts)
- DEPARTMENT OF INFORMATION TECHNOLOGY
  - Coordinator, Bachelor of Information Technology (B.Sc. IT)
  - Coordinator, Masters of Information Technology (M.Sc. IT)
- DEPARTMENT OF MANAGEMENT
  - Coordinator, Bachelor of Management Studies (BACHELOR OF MANAGEMENT STUDIES - BMS)
- DEPARTMENT OF COMMERCE
  - Coordinator, Bachelor of Accounting & Finance (BAF)
  - Coordinator, Bachelors in Banking & insurance (BBI)
  - Coordinator, Bachelor of Financial Market (BFM)
  - Coordinator, Masters in Commerce(M.com)
- DEPARTMENT OF ARTS
  - Coordinator, Bachelor Arts in Multimedia and Mass Communication (BAMMC)
  - Coordinator, Masters of Arts in Entertainment, Media and Advertising (BAMMC)

SWOC

Strengths:	Weaknesses:
--> Qualified, experienced and dedicated teaching faculty with good retention. --> Laboratories with state-of-the-art equipment and modern software tools. --> Student centric functioning with remedial coaching and effective academic menotring --> Active NSS Unit and DLLE . --> Professional Society Chapters in every department. --> International engagement in terms of student and faculty exchange programs --> Learner-centric & ICT-enabled teaching–learning process, to meet the needs of the new generation --> Self-developed comprehensive e-governance infrastructure (V-MIS)	--> Less percentage of faculty involved in research and consultancy activities -->Limited scope for grants and funds due to permamnetly unaided status of institution. --> Limitation due to affiliation system such as no freedom of syllabii revision, limited scope for assesment and evaluation reforms etc.
Opportunities: --> Introduction of new PG and Doctoral programmes --> Enhancing contribution to green initiatives for sustainable development of society --> Increase in the number of FDPs /STTPS/ National Level/ International Level conferences organised by the institution --> Academic autonomy --> Expansion and development of laboratory facilities	**Challenges:** --> Unpredictable placement opportunities --> Availability of competent PhD faculty members --> Enhancing Alumni contribution --> Revenue generation from other sources due to dependence on student fees as a major revenue source --> Presence of multiple competent and reputed institutions in the vicinity

NAAC PEER TEAM RECOMMENDATIONS

The institute has undergone the first NAAC cycle for the year 2015-2020 and accredited with CGPA of 2.71 on four-point scale at B grade. Following are the recommendations by NAAC Peer Team:

→ Faculty may be encouraged to pursue research and submit research proposals to appropriate funding agencies.

→ Consultancy activities should be strengthened.

→ Industry interface activities should be strengthened.

→ Prevention of Sexual Harassment to Women Cell be created.

→ Exclusive and institution-specific facilities should be created.

→ New and interdisciplinary programs may be introduced.

→ Sufficient number of qualified senior faculty should be appointed.

→ Steps may be initiated to attract students from outside Mumbai.

→   Alumni Association to be registered and their activities to be further enhanced.

AIMS AND OBJECTIVES OF PERSPECTIVE PLAN

Institute Perspective plan helps in formalizing the college mission, Vision, Goals & objective. They serve as a guiding light for the future. During the past decade education has gone through vast changes. Today's education demands for giving students the skills & confidence that they need to succeed in this new world which thereby increased the number of institutes significantly. This has resulted in an intense competition for high calibre students and faculty. Thus, in this volatile & variable environment it is important for an institute to plans & priorities the quantifiable objectives or goals and to assess the success of the defined metrics and periodically tracking & reviewing them. This will enable the firm to respond to the new challenges & pursue emergent opportunities. It is a participatory strategy that helps the organization to assign resources in accordance with the goals set out in the Perspective plan.

The Internal Quality Assurance Cell (IQAC) of the college plays a proactive role and is involved with various aspects of institutional strategy making and planning process, as per needs and vision of the institution. IQAC has undertaken the task of designing a Perspective Plan for the period of five years commencing from academic year 2019-20 to academic year 2023-24, keeping in view of quality indicators of different criteria determined by NAAC and the various strengths, weaknesses, opportunities and challenges of the institution.

The present Perspective Plan principally based on-

➢   The NAAC guidelines

➢   Vision and Mission statement

➢   Quality Policy

➢   SWOC Analysis

➢   Recommendations of NAAC

➢   Inputs from stakeholders

OBJECTIVES:

Keeping in view of the Vision, Mission, Quality Policy and SWOC analysis of the institution a set of following objectives are identified to be achieved through this perspective plan over the next 5 years:

I • To enrich curriculum delivery

II • To implement effective teaching-learning process using ICT resources

III • To encourage research, innovation and entrepreneurship

IV • To facilitate holistic development and progression of student and strengthen alumni engagement

V • To encourage contributions towards Social Responsibilities and Institutional Values

VI • To focus on inclusive and sustainable growth of institution

FORMATION PERSPECTIVE PLAN PROCESS:

The Perspective Plan (2019-2024) has been prepared by the Internal Quality Assurance Cell (IQAC) with active assistance of the Criterion-VI Sub-Committee. During the IQAC meeting (Jan2019) the steering committee for Perspective plan, consisting of Director, Principal, Vice Principal, CAO, the department heads and all other stakeholders was constituted.

In the preparation of the Perspective Plan, the Internal Quality Assurance Cell (IQAC) of the college has taken initiatives to obtain Inputs from all stakeholders viz, the management, Principal,the faculty, the administrative staff, students of the college, the Alumni Association of the college,the parents and the peer colleagues. Stakeholders' expectations, institute's vision, mission and SWOC are also considered as a base for formulation of the perspective plan.

The entire process has been envision keeping in view of the quality parameters laid down by NAAC for holistic up-gradation of a higher educational institution. The mode of execution shall be mainly through IQAC interventions, in a phased manner, to be decided from time to time as perresolutions taken in the IQAC Core Committee meetings.

Entire process is shown in the diagram below:

PERSPECTIVE PLAN 2019–2024

Objective I: To enrich curriculum delivery

The main purpose of curriculum is the Holistic development of the students. Institution has the mechanism for well-planned curriculum delivery and enrichment to impart high quality education. Institute focuses on preparation of the Academic-Activity Calendar and Academic Administration Plan (AAP) and aims at designing various beyond syllabus activities for Curriculum Delivery. The college needs to initiate a wide range of programme options and courses that are in tune with the emerging trends and relevant to the needs of the student. The institute shall conduct the academic audit to ensure effective execution of academic planning.

2019 – 2020

→ To Appoint Chief Academic officers for Information technology and Commerce & Management respectively as a part of decentralized approach as well as for smooth conduct of academics.

→ To offer Industry-oriented certification courses, MOOCs, Value Added Courses

2020-2024

→ To introduce new post-graduate and under-graduate programs.

→ To introduce additional divisions/ wings to fulfill and cater various demands of the students.

→ To enhance the participation in Online MOOC (massive open online courses) and SWAYAM Courses.

→ To conduct periodic Audits and NAAC reaccreditation.

→ To get Academic Autonomy

Objective II: To implement effective teaching-learning process using ICT Resources

Institute has well planned teaching learning process for effective teaching and quality content delivery. Institute uses Information & Communication Technologies (ICT) tools with ELearning resources in teaching and training. Content delivery shall be improved by incorporating innovative methods in teaching and learning through effective use of Information & Communication Technologies (ICT) methods.

2019 - 2020

→ To introduce Lecture Capture in classrooms for all departments.

→ To introduce Learning Management Systems (LMS)

→ To enhance centralized system to distribute the digital content to students

2020-2024

→ To use Smart Classrooms

→ To introduce new learning platforms like TEDx

→ To set up Language Lab

Objective III: To encourage research, innovation and entrepreneurship

The institute promote research culture and encourages its staff to engage in interdisciplinary and interdepartmental research activities and resource sharing. The Institution has created an ecosystem for innovation and other initiatives for creation and transfer of knowledge. The institute has set up the E cell to create a parallel corporate culture with an aim to foster entrepreneurial qualities among the students. The institute needs to strengthen the research activities, innovation and entrepreneurship activities.

2019 - 2020

→ To organize Book/ Research Paper/Technical review sessions by faculty members for faculty members to exchange different domain knowledge.

→ To encourage entrepreneurial skills through E Cell Activities

→ To promote industry and other professional bodies sponsored Major and Minor Research projects by faculty members

2020-2024

→To motivate our faculty to apply for funded projects under various schemes.

→To organize research conference, international conclave and case study workshop every year.

→To motivate faculty and students' community to publish research papers in in-house research journals and magazines.

→To conduct year-long extension and outreach programs in collaborative mode with various stakeholders' industry, community and Non - Government Organizations through NSS and DLLE.

→ To undertake various Collaborative activities with academic institutions or industry or other agencies of professional and social relevance like Hackathon/Value addition/ Certification/ Bridge courses across all streams.

Objective IV: To facilitate holistic development and progression of Students and strengthen alumni engagement

Institute take full efforts to facilitate holistic development and progression of the students. Institute has Alumni committee, which looks after alumni profiles and their interactions/Contributions. Institute aims to encourage the co-curricular and extra-curricular activities to enhance student experience and strengthen alumni engagement.

2019 - 2020

→ To strengthen Alumni participation by inviting them for first year orientation and induction programmes, guest lectures, placement guidance sessions and final year project guidance sessions.

2020-2024

→ To facilitate Capacity building and skills enhancement initiatives like Soft skills, Language and communication skills, Life skills (Yoga, physical fitness, health and hygiene), ICT/computing skills

→ To strengthen the Alumni Association and increase Alumni engagement in the College activities

→ To provide enhanced career counseling and guidance for competitive examinations

→ To strengthen placement cell to provide better employment opportunities to the students

→ To facilitate students' representation and engagement in various administrative, co- curricular and extracurricular activities

→ To Enhance facilities for recreation, food courts and sports on campus.

Objective V: To encourage contributions towards Social Responsibilities and Institutional Values

Institute displays sensitivity to the emerging challenges and pressing issues like gender equity, environmental consciousness and sustainability, inclusiveness and professional ethics. The concerns for social responsibilities as well as the values held by the institute are explicit in its regular activities. Institute needs to plan activities to increase the involvement of faculty and students about the needs and issues of the society.

2019 – 2020

→ To undertake various activities for promotion of Gender Equity & Sensitization

2020-2024

→ To conduct quality audits on gender, environment and energy.

→ To organize programmes on human values and professional ethics to sensitize students to these values.

→ To organize talks and activities to improve focus of students on environmental consciousness and sustainability issues.

Objective VI: To Focus on inclusive and sustainable growth of institution

Institute has evolved various policies and practices in the matter of planning human resources, recruitment, training, performance appraisal and financial management for effective functioning of the institute. College needs to focus on inclusive and sustainable growth of institution by creating and maintaining organizational arrangement, to co-ordinate the academic and administrative planning and implementation and to achieve the vision, mission and goals of the institution. The institute aims to strengthen faculty empowerment strategies by implementing effective welfare measures, providing financial support to attend conferences/workshops and organisation of professional development and training programmes for teaching and non-teaching staff.

2019 – 2020
→ To organize faculty development programmes and short term training programmes in collaboration with UGC HRDC University of Mumbai sponsored by RUSA.

2020-2024
→ To organize UGC HRDC RUSA Sponsored FDP for Commerce Management
→ To increase faculty participating in Faculty Induction Programme, Refresher Course, Online MOOC / SWAYAM Courses
→ To motivate Faculty for Ph.D. registration and Completion.
→ To regulate participation in NIRF □ To conduct Quality audit -ISO Certification

STRATEGY IMPLEMENTATION AND MONITORING

Good Governance & Administration	Governing Body, Internal Quality Assurance Committee,Local Managing Committee, Principal, Vice-Principal, Technical Advisor, Chief Academic Officer, Head of the Departments and Registrar
Institution Statutory Compliance	Principal, Vice-Principal and Registrar
University Status	Principal, Vice-Principal and Registrar
Financial Management	Finance Committee, Principal and Vice-Principal
Infrastructure	Building Committee, Principal and Vice Principal
Human Resource	Principal, Vice-Principal, Technical Advisor, Chief Academic Officer, Head of the Departments
Teaching- Learning and Evaluation	Principal, Chief Academic Officer, Head of the Departments,Faculty and Staff, Research & Development Convener & PG Coordinator, Exam In-charge
Departmental Activities	Head of the Departments
Branding /Expansion	Vice- Principal, Head Marketing
Student Admissions	Principal, Vice-Principal, Admission In charge
Training and Placement	Vice-Principal, Training & Placement Officer
Student Council	Vice-Principal, Student Council Convener and Student Council

PERSPECTIVE PLAN DEPLOYMENT 2020-21

Sr. No.	Plan of Action	Achievements/Outcomes
1	Navigating New Normal: Transition from Offline to Online • The concept of traditional education has changed radically within the Covid19 spread since March. Being physically present in a classroom is not the only learning option anymore — not with the rise of the internet and innovative technologies, at least. Nowadays, you have access to a quality education whenever and wherever you want if you have access to a computer. We are now entering a new era — the revolution of online education	Conducted 5 Days MS Teams training sessions for teaching and non-teaching staff to transform in new normal of Online Teaching Learning and Administration
2	To apply for new UG and PG Programs i.e. BSc (Data Science), MCom (Business Management) and MA (Entertainment, Media Advertising) with University of Mumbai.	Applied for new UG and PG Programs i.e. BSc (Data Science), MCom (Business Management) and MA (Entertainment, Media Advertising) at University of Mumbai
3	To motivate our faculty to apply for funded projects.	16 major and minor research projects funded by ICSSR, University of Mumbai and other private organizations are ongoing.
4	To introduce new learning platforms like TEDx	Establishment of TEDx is underway.
5	To organize UGC HRDC RUSA Sponsored FDP for Commerce Management	Organized UGC HRDC University of Mumbai RUSA Sponsored Online Refresher Course in Data Analytics and Business Intelligence.
6	To conduct Short Term Training Programs based on latest technology	Organized Short Term Training Programs
7	To organize International level Management Conclave	Organized One Week Online International Conclave
8	To organize for International Case Study Workshop and Hands on Workshop	Organized 2 Days International Case Study Workshop 2021

9	To conduct for National Level Hackathon in association IEEE	6 Days SKEP on Cyber Security & Ethical Hacking was organized by IEEE-VSIT Student Branch
10	To introduce for various Value addition/ Certification/ Bridge courses across all streams (Information Technology, Commerce, Management and Arts)	Introduction of 28 Value Added Courses, 12 Certification Courses and 6 Bridge courses across all streams (Information Technology, Commerce, Management and Arts)
11	To introduce certificate courses in association with Microsoft, Google, Oracle, EC council CEH etc.	12 certification courses in association with IIT Bombay, Microsoft, Google, Oracle were offered to students.
12	To enhance and equip students with requisite tools of media through provision of a media lab.	Media Lab was equipped with advanced equipment as per departmental requirement.
13	To plan for various seminar, workshop, conference through institute affiliated services and Industry mentors	5 Conferences, 44 Seminars, 31 Workshops and a number of other activities were organized for holistic development of students and faculty
14	To enrich the collection of Online libraries	Fully automated online library was set up for maximum usage by the students and faculty during lockdown period.
15	To enhance the participation in Online MOOC (massive open online courses) and SWAYAM Courses	Around 2000 Students undertook Online MOOC (massive open online courses), NPTEL and SWAYAM Courses in various domains.
16	To increase the publications in reputed listed research journals	64 Research Papers were published by faculty members in different reputed UGC Listed journals.
17	To march towards the holistic development of the students.	Numerous Guest lectures, workshops, webinars, educational tours, conclaves, symposium, NSS/ DLLE activities, Sports, Extra curricular activities etc. were organized on virtual platform leading to holistic development of the students.
18	Formation Financial Literacy Club	Establishment of Financial Literacy Club is underway.

ACADEMICS

VSIT offers the following Full-time courses Vidyalankar School of Information Technology offers IT, Commerce, Management and Mass Media courses. All courses are affiliated to the University of Mumbai.

Programs Offered

Details	Branch	Intake
UNDERGRADUATE	Bachelor of Science (Information Technology) --BSc I.T	300
	Bachelor of management studies--BMS	180
	Bachelor of Commerce (Accounting and Finance) -- BCom (A&F)	60
	Bachelor of Commerce (Banking and Insurance) -- BCom (B&I)	60
	Bachelor of Commerce (Financial Markets) -- BCom(F&M)	60
	Bachelor of Arts (Multimedia and Mass Communication)	120
UNDERGRADUATE Direct Second Year	Bachelor of Science (Information Technology) --BSc I.T	24
POST-GRADUATE Master	Master of Science (Information Technology) ---M.Sc.(IT) (Part 1)	40
	Master of Commerce (Advance Accountancy)---M.Com Adv. Accountancy (Part 1)	60
	Master of Commerce (Banking and Finance)---M.Com Banking & Finance (Part 1)	60
	Master of Arts in Entertainment, Media and Advertising (MAEMA) (Part 1)	60
Doctoral Program	Ph.D. in Commerce (Business Economics)	12

Status of Admissions for the Academic Year 2020-21

Faculty	Programs	Number of students & divisions permitted/ provisionally permitted	Number of students admitted & number of divisions formed
Information Technology	Bachelor of Science (Information Technology)	300	277
Information Technology	2nd Year Bachelor of Science (Information Technology)	30	30
Management Studies	Bachelor of Management Studies	180	203
Commerce	Bachelor of Commerce (Accounting & Finance)	180	203
Commerce	Bachelor of Commerce (Banking & Insurance)	59	60
Commerce	Bachelor of Commerce (Financial Market)	60	49
Arts	Bachelor of Arts (Multi Media and Mass Communication)	60	72
Arts	Master of Arts in Entertainment, Media and Advertising (MAEMA) (Part 1)	60	20
Information Technology	Master of Science (Information Technology)	40	48
Commerce	Master of Commerce (Advance Accounting)	60	72
Commerce	Master of Commerce (Banking and Insurance)	60	72

FY Orientation Program

Day & Date	Course	Time
Thursday, 3/9/2020	BAF	5p.m. to 6 p.m.
Friday, 4/9/2020	BMM/BBI/BFM	5 p.m. to 6 p.m.
Saturday, 5/9/2020	B.Sc. IT	10.30 a.m. to 11.30 a.m.
	BMS	12 noon to 1 p.m.
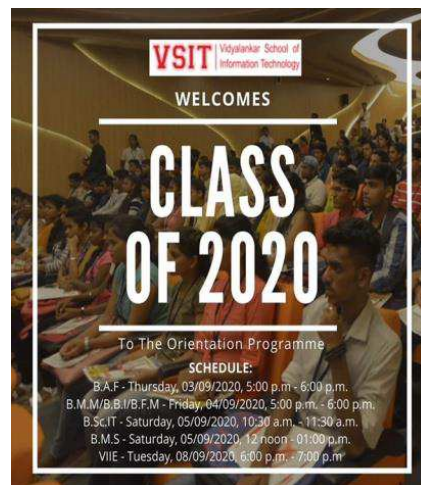

The Parent Interaction Committee of VSIT had organized an Orientation Program for the first year students of all courses. The program was scheduled separately as mentioned in the above table.

The main objective of Orientation Program for Fresher's is to equip them with all the necessary information to dispel their doubts and lingering questions, apprehensions. It aims to provide answers to unasked questions. The students and parents were formally welcomed VSIT used Zoom online platform for the convenience of parents and students. The Orientation was conducted into two parts – General Orientation and Departmental Presentation.

The program was kickstarted with a video, which encompassed the entire infrastructure of the college. The General presentation included points that introduced the information about the history of the College, its founders, Members of the Vidyalankar Dnyanapeet Trust, Principal, Vice Principals and CAO's of VSIT.

The hosts of the Program enlightened the audience with the uniqueness of VSIT- Its robust Infra structure, Anticipating students and parents apprehensions regarding the online teaching – detailed information was provided. It explained the Online Platform used its rigorous training for students to equip them for smooth functioning of the lectures. The anchors emphasized the fact that it has been very smooth for VSIT to transit from offline to online teaching as VSIT has strong technical background. The various teaching tools used for teaching. Apart from this the academic facilities,Co-curricular activities. Extra-Curricular activities, digital campus and its benefits for the students were explained to gain confidence of the students and their parents.

After this presentation the Principal, VSIT, Dr. Rohini Kelkar, addressed the parents and students. At the outset she welcomed all the parents and students cordially and also thanked them for taking admission at VSIT. She assured all the parents that they have entrusted their wards at a very safe hands and now it is the responsibility of the college to take care of them –professionally as well as personally. She also affirmed that the online teaching has not restricted VSIT to continue with the activities that are regularly carried out in an offline Mode of teaching.

It was Vice Principal, Prof. Vijay Gawde, who addressed after Principal Madam. He began his address by quoting 'We never stop come what may." In a nut shell he meant that VSIT has not compromised on any activities even in the online mode of Teaching, which has been introduced recently. He emphasized on the importance of recorded lectures in an online mode for enhancing students' learning process.

The Department presentations were presented by the respective Heads of the Departments, and First Year In –charges. It included introduction of the respective Chief Academic Officers, faculty members who teach first year classes. This presentation was department specific. It emphasized the regular department activities and special features of the departments, for the overall development of the students and to make them more employable. The BAF department highlighted the activities of the Commerce Association, BMM department highlighted its activities- Film Festival, V-Talkies, Madhya, - a media conclave etc. The department of Banking and Insurance elaborated on the events that were organized and also announced the Future Flagship events of the department. The BFM department emphasized its activities of Mock Equity Trading, Financial

Clubs, etc. The IT department which is the biggest department of VSIT spoke of the importance of IT in every field of our life and explained about its special events – BIZCON-20, V-Search, and Tantra-Vihar. Finally, the BMS department highlighted its activities- Avishakar – an Inter- Collegiate Research paper competition, Case Study Workshop.

At the end of the department presentation, Prof. Asif Rampurawala, Vice Principal, VSIT, explained about VIIE program of the VSIT. He explained about the VSITs collaboration with the reputed American and Canadian Universities and its benefits to the students to get degree from the Foreign Universities,

The session was kept open for the queries of the parents as well as that of students, which were answered by the Vice Principals and Faculty members.

A feedback form was posted on the chat box for parents and students suggestions.

ACADEMIC INITIATIVES:

- Additional Lectures planed and conducted in this semester in three phases week0, week 1, onlylectures for difficult subjects, week2 onwards
- **Mission 100-** Additional lectures during regular lecture practical course of study for FE and DSYfor special subjects like Mathematics,
- **Tests/Preliminary Exam:** Additional tests Preliminary exams for FE and DSY students.
- **Remedial lecture** –Additional lectures/Tutorial sessions for Students having drop and KT
- **Best Workshop Practices-**Development of various kits related to branch of study of thestudents in Workshop.
- **V- Tutorial –** A software based application designed by our faculty with inputs frommathematics staff is used for generating tutorial Question randomly.
- Encouragement to students to participate in various competitions
- Lecture Capture Initiative & Usage of Digital Contents
- **Mini- Projects, Guest Lectures , Seminars, Workshops & Industrial Visits**
- **Internships at Industry & at VIT**
- **Online Course as part of Assignment in one subject for Third year students (MOOCS, COURSERA, UDACITY etc.)**

49	Anindita Banerji	Assistant Professor	Humanities
50	Kavitha Chandramohan	Assistant Professor	Commerce
51	Sagar Gaikwad	Assistant Professor	Management
52	Pooja Jogu	Assistant Professor	Commerce
53	Nisha Dang	Assistant Professor	Management
55	Beena Kapadia	Assistant Professor	Information Technology
56	Snehaprabha Katti	Assistant Professor	Commerce
57	Sindhu Krishnan	Assistant Professor	Commerce
58	Sabir Moin Shaikh	Assistant Professor	Information Technology

59	Dr. Amita Jain	Assistant Professor	Information Technology
61	Prabal Deep Das	Assistant Professor	Information Technology
62	J Gunasundari	Assistant Professor	Commerce
63	Pooja Kesharwani	Assistant Professor	Commerce
64	Dr. Sarika Chouhan	Assistant Professor	Information Technology
65	Ajaykumar Poojary	Assistant Professor	Commerce
66	Lakshmi Pillai	Assistant Professor	Humanities
67	Ranjit Anand	Assistant Professor	Commerce
68	Bhavesh Shah	Assistant Professor	Information Technology
69	Dr. Swagatika Nanda	Assistant Professor	Commerce
70	Sidra Usmani	Assistant Professor	Management
71	Prachi Agarkar	Assistant Professor	Management
72	Dr. Rajendra Patil	Assistant Professor	Information Technology
73	Reshma Ajetrao	Assistant Professor	Commerce

STAFFING PATTERN

Staffing Pattern with respect to work load, filled and vacant posts, creation of posts teaching and non-teaching with desired qualifications/Specialization for the academic year 2019-20 was completed & the current status is as given below.

Interviews are conducted by a duly constituted committee at institute level for appointment of teaching and non-teaching staff at various positions for the A.Y. 2019-20.

Faculty Count as per designation

Designation	Count
Professor	01
Associate Professor	00
Assistant Professor	71

Non-teaching

Sr. No.	Designation	Count
1	Non-Teaching (Head Positions)	02
2	Laboratory	08
3	Administration	14
4	Library	02
5	Placement	01
6	Support (Internal) *	04
7	Sports	01

Additional Staff hired from External Agency

Resignations for the Academic Year 2020-21(1st June to till date)			
Name of Staff	**Department**	**Designation**	**Date of Resignation**
Dr. Vivek Gupta	BMS	Assistant Professor	17-12-2020
Dr. Ashwini Joshi	BAF	Assistant Professor	31-10-2020
Pooja Kesharwani	BMS	Assistant Professor	03-06-2021
Ranjit Anand	BAMMC	Assistant Professor	30-04-2021
Sidra Usmani	BAMMC	Assistant Professor	30-04-2021
Prachi Agarkar	BMS	Assistant Professor	30-04-2021

Pursuing/Completed Higher Studies in last one year

Faculty – Pursuing Higher Studies

Name of the teacher	Department of Faculty	Higher Education
Aasha Chavan	Information Technology	PhD
Amit Kabra	Commerce	PhD
Anindita Banerji	Mass Media	PhD
Asif Rampurawala	Information Technology	PhD
Beena Kapadia	Information Technology	PhD
Bhavesh Shah	Information Technology	PhD
Chitra More	Management	PhD
Geeta Sahu	Information Technology	PhD
Harish Noula	Management	PhD
Hrishikesh Tendulkar	Information Technology	PhD
J.Gunasundari	Commerce	PhD

Workshops & STTPs attended & conducted by faculties:

Sr. No.	Name of the participant	Title of the FDP / professional development / administrative training program	Dates (from-to) (DD-MM-YYYY)
1	Aasha Chavan	4-Week Orientation Programme for Faculty in Universities/Colleges/Institutes of Higher Education organised by Ramanujan College under PMMMNMTT, Ministry of HRD, GOI	04-06-2020 to 01-07-2020
2	Aasha Chavan	Diploma Course "RPA Design & Development V2.0" by Ui Path	17-05-2021 to 28-05-2021
3	Aasha Chavan	Diploma Course "RPA Design & Development V2.0" by Ui Path	22-05-2021 to 28-05-2022
4	Aasha Chavan	One Day Webinar- Investment Avenues and E - filing of Income Tax returns	30-07-2020
5	Aasha Chavan	One week training program on "MS Teams - Learning Management System"	08-06-2020 to 12-06-2020
6	Aasha Chavan	One Week Faculty Development ProgramEvolution From Offline To Online Teaching by Satish Pradhan Dnyanasadhna College	30-05-2020 to 03-06-2020
7	Aasha chavan	Spoken Tutorial by IITB - HTML	25-05-2021
8	Aasha Chavan	Spoken Tutorial by IITB - InkScape	25-05-2021
9	Aasha Chavan	Microsoft Python Programming Certification: Introduction to Programming using Python	25-05-2021 to 31-05-2021
10	Aasha Chavan	One Week National Faculty Development Program - An Overview of Indian Stock Market and Indian Economy	01-06-2020 to 05-06-2020
11	Aasha Chavan	2 Week Online Workshop and Coursework on Research Methodology for Quantitative Research in Social Science	03-05-2021 to 15-05-2021
12	Aasha Chavan	National Level Faculty Development Program on The Art of Writing and Publishing in Scopus Journal organized by Research Committee of Jnan Vikas Mandal's Degree College,Mumbai	20-06-2020
13	Akshatha Jain	Microsoft Python Programming Certification: Introduction to Programming using Python	25-05-2021 to 31-05-2021
14	Akshatha Jain	2 Week Online Workshop and Coursework on Research Methodology for Quantitative Research in Social Science	03-05-2021 to 15-05-2021
15	Akshatha Jain	One Day Webinar- Investment Avenues and E - filing of Income Tax returns	30-07-2020
16	Akshatha Jain	One Week STTP- Current Trends in Computing	23-11-2020 to 28-11-2020
17	Akshatha Jain	One week training program on "MS Teams - Learning Management System"	08-06-2020 to 12-06-2020
18	Akshatha Jain	Spoken Tutorial by IITB - HTML	25-05-2021

19	Akshatha Jain	Spoken Tutorial by IITB - InkScape	25-05-2021
20	Amraja Shivkar	2 Week Online Workshop and Coursework on Research Methodology for Quantitative Research in Social Science	03-05-2021 to 15-05-2021
21	Amraja Shivkar	One Day Webinar- Investment Avenues and E - filing of Income Tax returns	30-07-2020
22	Amraja Shivkar	One Week STTP- Current Trends in Computing	23-11-2020 to 28-11-2020
23	Amraja Shivkar	One week training program on "MS Teams - Learning Management System"	08-06-2020 to 12-06-2020
24	Amraja Shivkar	One Week Faculty Development ProgramEvolution From Offline To Online Teaching by Satish Pradhan Dnyanasadhna College	30-05-2020 to 03-06-2020
25	Amraja Shivkar	Short Term Online Course - Remote Sensing of Land Degradation organised by Govt. of India, Dept. of Space, ISRO.	01-12-2020 to 07-12-2020
26	Amraja Shivkar	Spoken Tutorial by IITB - HTML	25-05-2021
27	Amraja Shivkar	Spoken Tutorial by IITB - InkScape	25-05-2021
28	Amraja Shivkar	Microsoft Python Programming Certification: Introduction to Programming using Python	25-05-2021 to 31-05-2021
29	Ashwini Koyande	2 Week Online Workshop and Coursework on Research Methodology for Quantitative Research in Social Science	03-05-2021 to 15-05-2021
30	Ashwini Koyande	Microsoft Python Programming Certification: Introduction to Programming using Python	25-05-2021 to 31-05-2021
31	Ashwini Koyande	One Week STTP- Current Trends in Computing	23-11-2020 to 28-11-2020
32	Ashwini Koyande	One week training program on "MS Teams - Learning Management System"	08-06-2020 to 12-06-2020
33	Ashwini Koyande	Spoken Tutorial by IITB - HTML	25-05-2021
34	Asif Rampurawala	Microsoft Python Programming Certification: Introduction to Programming using Python	25-05-2021 to 31-05-2021
35	Asif Rampurawala	One week training program on "MS Teams - Learning Management System"	08-06-2020 to 12-06-2020
36	Beena Kapadia	2 Days Webinar on Natural Language Processing using Python	01-06-2020 to 02-06-2020
37	Beena Kapadia	2 Week Online Workshop and Coursework on Research Methodology for Quantitative Research in Social Science	03-05-2021 to 15-05-2021
38	Beena Kapadia	4 Day FDP on "Recent Trends in Data Analytics Technology and Solutions" organsied by SRM Institute of Science & Technology	08-07-2020 - 11-07-2020
39	Beena Kapadia	4-Week Orientation Programme for Faculty in Universities/Colleges/Institutes of Higher Education organised by Ramanujan College under PMMMNMTT, Ministry of HRD, GOI	04-06-2020 to 01-07-2020
40	Beena Kapadia	8 Week Online Certification Course on "Business Analytics & Text Mining Modeling Using Python" by	September 2020 -

		NPTEL	Noember 2020
41	Beena Kapadia	8 Week Online Certification Course on "Developing Soft Skills and Personality" by NPTEL	September 2020 - Noember 2020
42	Beena Kapadia	Microsoft Excel certification: MS Office Specialist Excel Associate	25-05-2021 to 31-05-2021
43	Beena Kapadia	One Day Webinar- Investment Avenues and E - filing of Income Tax returns	30-07-2020
44	Beena Kapadia	One Week FDP on "Data Sciences" organsied by ALL INDIA COUNCIL FOR TECHNICAL EDUCATION, Delhi	16-09-2020 to 20-09-2020
45	Beena Kapadia	One Week FDP on "Machine Learning and Deep Learning Applications using Python" organised by IMS Gaziabad	26-08-2021 to 31-08-2021
46	Beena Kapadia	One Week STTP- Current Trends in Computing	23-11-2020 to 28-11-2020
47	Beena Kapadia	One week training program on "MS Teams - Learning Management System"	08-06-2020 to 12-06-2020
48	Beena Kapadia	Spoken Tutorial by IITB - HTML	25-05-2021
49	Beena Kapadia	Spoken Tutorial by IITB - InkScape	25-05-2021
50	Beena Kapadia	One Week Faculty Development ProgramEvolution From Offline To Online Teaching by Satish Pradhan Dnyanasadhna College	30-05-2020 to 03-06-2020
51	Bhavesh Shah	2 Day National Symposium on "Cyberspace 2021"	27-05-2021 to 28-05-2021
52	Bhavesh Shah	Microsoft Python Programming Certification: Introduction to Programming using Python	25-05-2021 to 31-05-2021
53	Bhavesh Shah	One Week FDP on "Modern Educational Tools and Pedagogical Practices For Online Teaching" by VIT	21-06-2020 to 25-06-2020
54	Bhavesh Shah	One Week STTP- Current Trends in Computing	23-11-2020 to 28-11-2020
55	Bhavesh Shah	One week training program on "MS Teams - Learning Management System"	08-06-2020 to 12-06-2020
56	Bhavesh Shah	One Week Faculty Development ProgramEvolution From Offline To Online Teaching by Satish Pradhan Dnyanasadhna College	30-05-2020 to 03-06-2020
57	Dr. Amita Jain	4 Day FDP on "Recent Trends in Data Analytics Technology and Solutions" organsied by SRM Institute of Science & Technology	08-07-2020 - 11-07-2020
58	Dr. Amita Jain	4-Week Orientation Programme for Faculty in Universities/Colleges/Institutes of Higher Education organised by Ramanujan College under PMMMNMTT, Ministry of HRD, GOI	04-06-2020 to 01-07-2020
59	Dr. Amita Jain	One Day National Faculty Development Program on E-Content by IIDE	25-06-2020
60	Dr. Amita Jain	One Week FDP on "Data Sciences" organsied by ALL INDIA COUNCIL FOR TECHNICAL EDUCATION, Delhi	20-07-2020 to 26-07-2020

61	Dr. Amita Jain	One Week FDP on "Modern Educational Tools and Pedagogical Practices For Online Teaching" by VIT	21-06-2020 to 25-06-2020
62	Dr. Amita Jain	Short Term Online Course - Remote Sensing of Land Degradation organised by Govt. of India, Dept. of Space, ISRO.	01-12-2020 to 07-12-2020
63	Dr. Amita Jain	Spoken Tutorial by IITB - HTML	25-05-2021
64	Dr. Amita Jain	Spoken Tutorial by IITB - InkScape	25-05-2021
65	Dr. Amita Jain	12 Week FDP on "Problem Solving through Programming in C" by NPTEL	September 2020 - December 2020
66	Dr. Amita Jain	Microsoft Python Programming Certification: Introduction to Programming using Python	25-05-2021 to 31-05-2021
67	Dr. Amita Jain	One Day Webinar- Investment Avenues and E - filing of Income Tax returns	30-07-2020
68	Dr. Amita Jain	One Week STTP- Current Trends in Computing	23-11-2020 to 28-11-2020
69	Dr. Amita Jain	One week training program on "MS Teams - Learning Management System"	08-06-2020 to 12-06-2020
70	Dr. Amita Jain	Short Term course - GuruCoolProgram(6 Days Training on Emerging Technologies followed by a Project Build-a-Thon) organised by IBM	10-09-2020 to 12-10-2020
71	Dr. Amita Jain	4 Week FDP on "Python for Data Science" by NPTEL	January - February 2021
72	Dr. Kimaya Shelar	One Week STTP- Current Trends in Computing	23-11-2020 to 28-11-2020
73	Dr. Kimaya Shelar	One week training program on "MS Teams - Learning Management System"	08-06-2020 to 12-06-2020
74	Dr. Kimaya Shelar	4-Week Orientation Programme for Faculty in Universities/Colleges/Institutes of Higher Education organised by Ramanujan College under PMMMNMTT, Ministry of HRD, GOI	04-06-2020 to 01-07-2020
75	Dr. Kimaya Shelar	One Week International FDP on "Gateway To Innovation" by SIMB College, Ratnagiri	22-06-2020 to 26-60-2020
76	Dr. Kimaya Shelar	Short Term Online Course - Remote Sensing of Land Degradation organised by Govt. of India, Dept. of Space, ISRO.	01-12-2020 to 07-12-2020
77	Dr. Kimaya Shelar	Spoken Tutorial by IITB - HTML	25-05-2021
78	Dr. Kimaya Shelar	Spoken Tutorial by IITB - InkScape	25-05-2021
79	Dr. Kimaya Shelar	Three-Day National Level Online Workshop On "Exploring Mobile Phone as an Effective Tool for Online Teaching and Learning	16-06-2020 to 18-06-2020
80	Dr. Pallavi Tawde	One Week STTP- Current Trends in Computing	23-11-2020 to 28-11-2020
81	Dr. Pallavi Tawde	One week training program on "MS Teams - Learning Management System"	08-06-2020 to 12-06-2020
82	Dr. Pallavi Tawde	Short Term course - GuruCoolProgram(6 Days Training on Emerging Technologies followed bya Project Build-	10-09-2020 to 12-10-2020

		a-Thon) organised by IBM	
83	Dr. Pallavi Tawde	Spoken Tutorial by IITB - HTML	25-05-2021
84	Dr. Pallavi Tawde	3 Day STTP on "GoDaddy Web Build-A-Thon" by SmartBridge Educational Services Pvt Ltd in associationwith GoDaddy Academy	15 - 01- 2021 to 22-02-2021
85	Dr. Pallavi Tawde	4 Weeks Faculty Development Program - Python for Data Science by NPTEL AICTE	January - February 2021
86	Dr. Pallavi Tawde	4-Week Orientation Programme for Faculty in Universities/Colleges/Institutes of Higher Education organised by Ramanujan College under PMMMNMTT, Ministry of HRD, GOI	04-06-2020 to 01-07-2020
87	Dr. Pallavi Tawde	Spoken Tutorial by IITB - InkScape	25-05-2021
88	Dr. Pallavi Tawde	Microsoft Python Programming Certification: Introduction to Programming using Python	25-05-2021 to 31-05-2021
89	Dr. Rajendra Patil	One Day Webinar - Collective Learning - Trial and Error Method	04-07-2020
90	Dr. Rajendra Patil	One Week STTP- Current Trends in Computing	23-11-2020 to 28-11-2020
91	Dr. Rajendra Patil	One week training program on "MS Teams - Learning Management System"	08-06-2020 to 12-06-2020
92	Dr. Sarika Chouhan	Microsoft Excel certification: MS Office Specialist Excel Associate	25-05-2021 to 31-05-2021
93	Dr. Sarika Chouhan	Spoken Tutorial by IITB - HTML	25-05-2021
94	Dr. Sarika Chouhan	Spoken Tutorial by IITB - InkScape	25-05-2021
95	Dr. Sarika Chouhan	Microsoft Python Programming Certification: Introduction to Programming using Python	25-05-2021 to 31-05-2021
96	Dr. Sarika Chouhan	One Week National Faculty Development Program - An Overview of Indian Stock Market and Indian Economy	01-06-2020 to 05-06-2020
97	Dr. Sarika Chouhan	3 Day National Symposium on "Cyberspace 2021"	27-05-2021 to 28-05-2021
98	Dr. Sarika Chouhan	MOOC - ASP.NET MVC Web Development by UDEMY	01-02-2021 - 27-02-2021
99	Dr. Sarika Chouhan	One Week "EnCypher 20: A National Cyber Security Conference" organised by CSI VIT in association with Cyberfrat	02-11-2020 to 07-11-2020
100	Dr. Sarika Chouhan	One Week STTP- Current Trends in Computing	23-11-2020 to 28-11-2020
101	Dr. Sarika Chouhan	One week training program on "MS Teams - Learning Management System"	08-06-2020 to 12-06-2020
102	Dr. Sarika Chouhan	Two Weeks Faculty Development Programme on "MANAGING ONLINE CLASSES and CO-CREATING MOOCS:2.0"	18-05-2020 to 03-06-2020
103	Geeta Sahu	Microsoft Python Programming Certification: Introduction to Programming using Python	25-05-2021 to 31-05-2021
104	Geeta Sahu	2 Week Online Workshop and Coursework on Research Methodology for Quantitative Research in Social Science	03-05-2021 to 15-05-2021
105	Geeta Sahu	4-Week Orientation Programme for Faculty in	04-06-2020 to

		Universities/Colleges/Institutes of Higher Education organised by Ramanujan College under PMMMNMTT, Ministry of HRD, GOI	01-07-2020
106	Geeta Sahu	One Day Webinar- Investment Avenues and E - filing of Income Tax returns	30-07-2020
107	Geeta Sahu	One Week STTP- Current Trends in Computing	23-11-2020 to 28-11-2020
108	Geeta Sahu	One week training program on "MS Teams - Learning Management System"	08-06-2020 to 12-06-2020
109	Geeta Sahu	Spoken Tutorial by IITB - HTML	25-05-2021
110	Geeta Sahu	Spoken Tutorial by IITB - InkScape	25-05-2021
111	Hrishikesh Tendulkar	2 Week Online Workshop and Coursework on Research Methodology for Quantitative Research in Social Science	03-05-2021 to 15-05-2021
112	Hrishikesh Tendulkar	4 Week FDP on "Python for Data Science" by NPTEL	January - Februay 2021
113	Hrishikesh Tendulkar	4-Week Orientation Programme for Faculty in Universities/Colleges/Institutes of Higher Education organised by Ramanujan College under PMMMNMTT, Ministry of HRD, GOI	04-06-2020 to 01-07-2020
114	Hrishikesh Tendulkar	Microsoft Python Programming Certification: Introduction to Programming using Python	25-05-2021 to 31-05-2021
115	Hrishikesh Tendulkar	One Day Faculty Development Program - Artificial Intelligence in Classroom Teaching by J.V.M.'s Degree College in association with The Magic Data.	06-06-2020
116	Hrishikesh Tendulkar	One Day National Faculty Development Program -The Art Of Writing And Publishing In Scopus Journal by Jnan Vikas Mandal Degree College	20-06-2020
117	Hrishikesh Tendulkar	One Week FDP on "Modern Educational Tools and Pedagogical Practices For Online Teaching" by VIT	21-06-2020 to 25-06-2020
118	Hrishikesh Tendulkar	One Week International FDP on "Gateway To Innovation" by SIMB College, Ratnagiri	22-06-2020 to 26-06-2020
119	Hrishikesh Tendulkar	One Week National Faculty Development Program - An Overview of Indian Stock Market and Indian Economy	01-06-2020 to 05-06-2020
120	Hrishikesh Tendulkar	One Week STTP- Current Trends in Computing	23-11-2020 to 28-11-2020
121	Hrishikesh Tendulkar	One week training program on "MS Teams - Learning Management System"	08-06-2020 to 12-06-2020
122	Hrishikesh Tendulkar	One Week Faculty Development ProgramEvolution From Offline To Online Teaching by Satish Pradhan Dnyanasadhna College	30-05-2020 to 03-06-2020

465	Vijay Gawde	One Week Workshop on FinTech	23-04-2021 to 27-04-2021
466	Vijay Gawde	Microsoft Excel certification: MS Office Specialist Excel Associate	25-05-2021 to 31-05-2021
467	Abhijit Raorane	One Week Online International Conclave: Global Trends in Management	26-10-2020 to 31-10-2020
468	Abhijit Raorane	Two Days International Case Study Workshop	12-03-2021 to 13-03-2021
469	Abhijit Raorane	2 Week Online Workshop and Coursework on Research Methodology for Quantitative Research in Social Science	03-05-2021 to 15-05-2021
470	Abhijit Raorane	Microsoft Excel certification: MS Office Specialist Excel Associate	25-05-2021 to 31-05-2021
471	Abhijit Raorane	One Week National Faculty Development Program - An Overview of Indian Stock Market and Indian Economy	01-06-2020 to 05-06-2020
472	Abhijit Raorane	One Week STTP- New Trends and Modern Approaches in Commerce & Management	23-11-2020 to 28-11-2020
473	Abhijit Raorane	One week training program on "MS Teams - Learning Management System"	08-06-2020 to 12-06-2020

474	Harish Noula	2 Week Online Workshop and Coursework on Research Methodology for Quantitative Research in Social Science	03-05-2021 to 15-05-2021
475	Harish Noula	One Day Webinar - Collective Learning - Trial and Error Method	04-07-2020
476	Harish Noula	One Week Online International Conclave: Global Trends in Management	26-10-2020 to 31-10-2020
477	Harish Noula	One Week STTP on "AI and ML APPLICATIONS IN DATA SCIENCE" organised by IIICT INDUS UNIVERSITY-AHMEDABAD	22-02-2021 to 26-02-2021
478	Harish Noula	One week training program on "MS Teams - Learning Management System"	08-06-2020 to 12-06-2020
479	Harish Noula	Two Days International Case Study Workshop	12-03-2021 to 13-03-2021
480	Harish Noula	One week Online Capacity Building Program on Basic of Research Methodology by University of Mumbai	17-05-2021 to 22-05-2021
481	Harish Noula	4-Week Orientation Programme for Faculty in Universities/Colleges/Institutes of Higher Education organised by Ramanujan College under PMMMNMTT, Ministry of HRD, GOI	04-06-2020 to 01-07-2020
482	Harish Noula	4-Week Orientation Programme for Faculty in Universities/Colleges/Institutes of Higher Education organised by Ramanujan College under PMMMNMTT, Ministry of HRD, GOI	04-06-2020 to 01-07-2020
483	Harish Noula	Microsoft Excel certification: MS Office Specialist Excel Associate	25-05-2021 to 31-05-2021
484	Harish Noula	One Week National Faculty Development Program - An Overview of Indian Stock Market and Indian Economy	01-06-2020 to 05-06-2020
485	Harish Noula	One Week STTP- New Trends and Modern Approaches in Commerce & Management	23-11-2020 to 28-11-2020
486	Mangal Singh Rawat	One Day Webinar - Collective Learning - Trial and Error Method	04-07-2020
487	Mangal Singh Rawat	2 Week Online Workshop and Coursework on Research Methodology for Quantitative Research in Social Science	03-05-2021 to 15-05-2021
488	Mangal Singh Rawat	Microsoft Excel certification: MS Office Specialist Excel Associate	25-05-2021 to 31-05-2021
489	Mangal Singh Rawat	One Week Online International Conclave: Global Trends in Management	26-10-2020 to 31-10-2020
490	Mangal Singh Rawat	One Week STTP- New Trends and Modern Approaches in Commerce & Management	23-11-2020 to 28-11-2020
491	Mangal Singh Rawat	One week training program on "MS Teams - Learning Management System"	08-06-2020 to 12-06-2020
492	Mangal Singh Rawat	Two Days International Case Study Workshop	12-03-2021 to 13-03-2021
493	Nikita Raut	2 Week Online Workshop and Coursework on Research Methodology for Quantitative Research in Social Science	03-05-2021 to 15-05-2021
494	Nikita Raut	Microsoft Excel certification: MS Office Specialist Excel	25-05-2021 to

		Associate	31-05-2021
495	Nikita Raut	One Day Webinar - Collective Learning - Trial and Error Method	04-07-2020
496	Nikita Raut	One Week Online International Conclave: Global Trends in Management	26-10-2020 to 31-10-2020
497	Nikita Raut	One Week National Faculty Development Program - An Overview of Indian Stock Market and Indian Economy	01-06-2020 to 05-06-2020
498	Nikita Raut	One week training program on "MS Teams - Learning Management System"	08-06-2020 to 12-06-2020
499	Nikita Raut	Two Days International Case Study Workshop	12-3-2021 to 13-3-2021
500	Nisha Dang	2 Week Online Workshop and Coursework on Research Methodology for Quantitative Research in Social Science	03-05-2021 to 15-05-2021
501	Nisha Dang	Microsoft Excel certification: MS Office Specialist Excel Associate	25-05-2021 to 31-05-2021
502	Nisha Dang	One Day Webinar - Collective Learning - Trial and Error Method	04-07-2020
503	Nisha Dang	One Week Online International Conclave: Global Trends in Management	26-10-2020 to 31-10-2020
504	Nisha Dang	One week training program on "MS Teams - Learning Management System"	08-06-2020 to 12-06-2020
505	Nisha Dang	Two Days International Case Study Workshop	12-03-2021 to 13-03-2021
506	Nisha Dang	One Week STTP- New Trends and Modern Approaches in Commerce & Management	23-11-2020 to 28-11-2020
507	Prachi Agarkar	2 Week Online Workshop and Coursework on Research Methodology for Quantitative Research in Social Science	03-05-2021 to 15-05-2021
508	Prachi Agarkar	One Day Webinar- Investment Avenues and E - filing of Income Tax returns	30-07-2020
509	Prachi Agarkar	One Week National Faculty Development Program - An Overview of Indian Stock Market and Indian Economy	01-06-2020 to 05-06-2020
510	Prachi Agarkar	One Week STTP- New Trends and Modern Approaches in Commerce & Management	23-11-2020 to 28-11-2020
511	Prachi Agarkar	One week training program on "MS Teams - Learning Management System"	08-06-2020 to 12-06-2020
512	Sagar Gaikwad	Microsoft Excel certification: MS Office Specialist Excel Associate	25-05-2021 to 31-05-2021
513	Sagar Gaikwad	One Week National Faculty Development Program - An Overview of Indian Stock Market and Indian Economy	01-06-2020 to 05-06-2020
514	Sagar Gaikwad	One Week STTP- New Trends and Modern Approaches in Commerce & Management	23-11-2020 to 28-11-2020
515	Sagar Gaikwad	One Day Webinar - Collective Learning - Trial and Error Method	04-07-2020
516	Sagar Gaikwad	One Day Webinar- Investment Avenues and E - filing of Income Tax returns	30-07-2020
517	Sagar Gaikwad	One Week Online International Conclave: Global Trends in Management	26-10-2020 to 31-10-2020

518	Sagar Gaikwad	One week training program on "MS Teams - Learning Management System"	08-06-2020 to 12-06-2020
519	Sagar Gaikwad	Two Days International Case Study Workshop	12-03-2021 to 13-03-2021
520	Swapna Kadam	2 Week Online Workshop and Coursework on Research Methodology for Quantitative Research in Social Science	03-05-2021 to 15-05-2021
521	Swapna Kadam	Microsoft Excel certification: MS Office Specialist Excel Associate	25-05-2021 to 31-05-2021
522	Swapna Kadam	MOOC - Machine Learning-Logistic Regression Practical Case Study	19th May 2021
523	Swapna Kadam	One Day Webinar - Collective Learning - Trial and Error Method	04-07-2020
524	Swapna Kadam	One Week Online International Conclave: Global Trends in Management	26-10-2020 to 31-10-2020
525	Swapna Kadam	One week training program on "MS Teams - Learning Management System"	08-06-2020 to 12-06-2020
526	Swapna Kadam	Online Training Program for NTA NET/SET/PET Paper A by Padmashree Bhausaheb Vartak College	15-05-2021 to 24-05-2021
527	Swapna Kadam	Spoken Tutorial by IITB - HTML	25-05-2021
528	Swapna Kadam	Spoken Tutorial by IITB - InkScape	25-05-2021
529	Swapna Kadam	Two Days International Case Study Workshop	12-03-2021 to 13-03-2021
530	Anindita Banerji	2 Week Online Workshop and Coursework on Research Methodology for Quantitative Research in Social Science	03-05-2021 to 15-05-2021
531	Anindita Banerji	4-Week Orientation Programme for Faculty in Universities/Colleges/Institutes of Higher Education organised by Ramanujan College under PMMMNMTT, Ministry of HRD, GOI	04-06-2020 to 01-07-2020
532	Anindita Banerji	Microsoft Excel certification: MS Office Specialist Excel Associate	25-05-2021 to 31-05-2021
533	Anindita Banerji	One Day Webinar - Collective Learning - Trial and Error Method	04-07-2020
534	Anindita Banerji	One Week National Faculty Development Program - An Overview of Indian Stock Market and Indian Economy	01-06-2020 to 05-06-2020
535	Anindita Banerji	One week training program on "MS Teams - Learning Management System"	08-06-2020 to 12-06-2020
536	Anindita Banerji	One Week STTP- New Trends and Modern Approaches in Commerce & Management	23-11-2020 to 28-11-2020
537	Lakshmi Pillai	One Day Webinar - Collective Learning - Trial and Error Method	04-07-2020
538	Lakshmi Pillai	One Week STTP- New Trends and Modern Approaches in Commerce & Management	23-11-2020 to 28-11-2020
539	Lakshmi Pillai	One week training program on "MS Teams - Learning Management System"	08-06-2020 to 12-06-2020
540	Ranjit Anand	One week training program on "MS Teams - Learning Management System"	08-06-2020 to 12-06-2020

541	Ranjit Anand	One Week STTP- New Trends and Modern Approaches in Commerce & Management	23-11-2020 to 28-11-2020
542	Rumeli Sharma	2 Week Online Workshop and Coursework on Research Methodology for Quantitative Research in Social Science	03-05-2021 to 15-05-2021
543	Rumeli Sharma	Microsoft Excel certification: MS Office Specialist Excel Associate	25-05-2021 to 31-05-2021
544	Rumeli Sharma	One Day Webinar - Collective Learning - Trial and Error Method	04-07-2020
545	Rumeli Sharma	One Week National Faculty Development Program - An Overview of Indian Stock Market and Indian Economy	01-06-2020 to 05-06-2020
546	Rumeli Sharma	One week training program on "MS Teams - Learning Management System"	08-06-2020 to 12-06-2020
547	Sidra Usmani	One Week National Faculty Development Program - An Overview of Indian Stock Market and Indian Economy	01-06-2020 to 05-06-2020
548	Sidra Usmani	One Week STTP- New Trends and Modern Approaches in Commerce & Management	23-11-2020 to 28-11-2020
549	Sidra Usmani	One week training program on "MS Teams - Learning Management System"	08-06-2020 to 12-06-2020
550	Sidra Usmani	One Week Faculty Development ProgramEvolution From Offline To Online Teaching by Satish Pradhan Dnyanasadhna College	30-05-2020 to 03-06-2020
551	Sidra Usmani	One Week Online Certification Stock Market Training Course by Motilal Oswal Financial Services Ltd.	27-07-2020 to 31-07-2020
552	Reshma Ajetrao	2 Week Online Workshop and Coursework on Research Methodology for Quantitative Research in Social Science	03-05-2021 to 15-05-2021

GUEST LECTURES

Guest Speakers Invited to Various Departments at VSIT in 2020-21

Guest speakers are invited to various departments at VSIT. They inform students about the application of their learning, the trends in the industries, the possibilities for students in their chosen field and future prospects. The interaction with guest speakers is a valuable exchange of information and guide students to develop a keen awareness of their discipline and make informed choices.

Department of Information Technology

Odd Semester

</div>

IEEE Holistic wellness in the time of Corona:

● **"Let's Go Out"- Psychological Aspects of Coping with Life post Lockdown (11-06-2020):**
Speaker: Dr. Nidhi Thanawala, Life Coach, Therapist, Psychology professor at H.R College.
Activity Summary: Dr. Thanawala commenced her session on how to deal with lockdown and not to worry or panic but rather develop a daily routine habit. Also, she talked about how one can be prepared for the post-lockdown or unlock world. Dr. Thanawala stated that we have to start reconnecting with the people that we used to meet before lockdown so that we can return to our routine. Dr. Thanawala gave some advice on how we should shape ourselves to address the psychological aspects of the lockdown and added that we should not feel the pressure of being productive. Instead we should do things that are useful for us.

● **Virtual Zumba Session (13-06-2020)**
Speaker Mr. Lokesh Rane, Licensed Zumba and Fitness Instructor, Founder - Dance Fitness with Loki.
Activity Summary: Mr. Rane started with some light warm-up exercises. A good warm-up session is necessary so that the body can relax itself and we can be ready for a healthy workout. Mr. Rane continued with Salsa. Salsa dance provides the body and heart various health benefits of aerobic exercise. Mr. Rane encouraged everyone to groove into the sound of the music and let their body loose and enjoy the salsa moves. He then taught different moves which improve the health of the different parts of the body. Mr. Rane then shifted to Bollywood dance followed by Belly dancing.

● **Blockchain (22-07-2020)**
Speaker: Mr. Naveen Reddy, CEO and Founder of Telusko EduTech Pvt Ltd
Activity Summary: Topics such as public vs private blockchain, use cases like Supply chain management, hyperledger fabric and designing a network using ledger were discussed.

BigData Analytics (08-08-2020)
Speaker: Mr. Yashowardhan Sowale, Vice President Enterprise Architecture and AI Champion at Capgemini.
Activity Summary: The speaker commenced by taking attendees to Gartner Hype Cycles which provide a

graphic representation of the maturity and adoption of technologies and applications, and how they are potentially relevant to solving real business problems and exploiting new opportunities. The speaker then introduced the topic by making the distinction between the following three technologies as they are applied differently in the field of "Data Science". He also explained the Hadoop Framework which is used in Big Data Analytics to process huge amount of data. He also explained various NoSQL databases used in storing unstructured data. The speaker discussed many real-life case studies related to various areas like medical, retail, marketing, social media etc.

Rang Sang - Texture Art Workshop (05 to 08-08-2020)
Speaker: Ms. Ekta Dubey, Director of "RangSang" Art Studio
Activity Summary: The instructor explained how textures can be created by using simple items that are easily available in every house, like nail, cotton, sponge, toothpick etc. She demonstrated different textures on 200 GSM sheets using acrylic putty and with the help of nail, toothpick, fingers, brushes, piece of cardboard and a foil paper. She also gave a demo with the help of tissue paper and glue to create textures. She demonstrated a drawing of "Ganesha" on the canvas using pencil as well as with the help of carbon paper to some amateur learners. Also, she made us learn how to create texture on it with the help of tissue paper and glue.

CSI-VSIT E-Conference:

- **Machine Learning (21-09-2020):**

Speaker: Ms. Bharti Yadav, Java and Python Trainer in Coder Technologies (Division of Squad Infotech Pvt. Ltd.)
Activity Summary: The session covered tools that are important for the students to get started with Machine Learning, ranging from IDE(s) to Libraries and skills required. Python is a great tool to implement machine learning algorithms since it is easy to use and has a wide range of libraries and frameworks. NumPy and Pandas libraries are used in python for implementing machine learning modals. Matplotlib and Seaborn libraries are used to visualize the data created by the machine learning modals. This lecture cleared all the students' doubts about machine learning, its uses, its implementation and how to perfect it with practice. 220+ participants attended the lecture

- **Blockchain (22-09-2020)**

Speaker: Mr. Ajit Joshi, National Alliance Manager at Red Hat for ISVs, IoT, embedded partners of India Region.
Activity Summary: The session commenced by providing a broad idea of blockchain, its use in smart contracts, consensus, immutability, and provenance and use cases that ranges from currency, e - commerce to smart cities and smart farms. Blockchain is a database that is decentralized and appended only if changes made to it cannot be reverted or corrupted. It records transactions between two parties in which both parties trust each other because of a distributed consensus protocol achieved by a network and ultimately secured through some cryptographic work. 205 participants attended the session.

- **Emotional Intelligence (30-09-2020)**

Speaker: Mr. Saurabh Vaishya, corporate trainer on topics like Deep Learning, Data science, Artificial intelligence, Emotional intelligence, Machine Learning.
Activity Summary: The session involved discussion about the Internet - controlled robot, Coro - Bot that his team has created, and its use cases both in and outside hospitals and in places like hotels. Ward boys, nurses are the frontline Corona warriors in our society who probably met COVID - 19 positive patients for many times and for the longest duration. The session helped understand ML and AI to get started with Emotional Intelligence. 203 participants attended the session.

- **Smart Home using Google Assistant (24-09-2022)**

Speaker: Mr. Abhishek Paithankar, trainer on IoT, Raspberry pi, Machine Learning, Artificial Intelligence, Deep Learning in IIT's, NIT's Private & Govt. Institutes.

Activity Summary: The session commenced with the uses of Google Assistant and how the smart home could be built using Google assistant. He explained that "Smart Home" refers to the automatic and electronic control of household features, activities, and appliances. There are three main elements of a smart home system: sensors, controllers, and actuators. The utilities and features of our home can be easily controlled via the internet. He explained how IOT is beneficial for inventions which is the concept behind the google assistant – controlled smart home. The Internet of Things (IoT) concept is used in connecting various types of objects like smart phones, personal computers and tablets to the internet, which brings new - fangled types of communication between things and things, and things and people. The Internet of things is a combination of sensors, connectivity, people and processes. He introduced some IOT devices like Arduino and Nodemcu Pinout to the participants.

- **Cloud Technologies (26-09-2020):**

Speaker: Mr. Jignesh Chheda, technical project manager and Subject matter expert for Microsoft Office 365 cloud.

Activity Summary: The speaker explained the various features of using cloud technology i.e. flexibility, global scalability, reliability, cost efficient, more scalable and disaster recovery with more security. He also discussed some examples of cloud computing like Gmail or the cloud back-up of the photos on your smartphone. Netflix relies on cloud computing services to run its video streaming service and its other business systems too and have a number of other organizations. 185 participants attended.

Value-Added Course on Apache Cassandra (31-10-2020)

Speaker: Mr. Yashowardhan Sowale, Vice President, Enterprise Architecture & AI Champion, Capgemini

Activity Summary: Introduced Cassandra Database and discussed real life case studies based on Cassandra.

Project Management in IT Industry (10-10-20)

Speaker: Dr. Suresh Shan, Head of Digital Innovation & Future Technology (BITS) at Mahindra & Mahindra financial Services Limited (MMFSL)

Activity Summary: He started the session with Introduction to Different kinds of projects that are coming up in the market, which requires less memory and can work on mobile phones.

Topics such as Advanced office automation, Weather forecasting, Social distancing, Ticket systems, Social networking platforms, Employee tracking systems, Tata sky solutions, Sentimental analysis, Health care systems, age-wise, Hygiene part health marinating, Ethics - how to behave in present and future, Team development – intervening tech, developing plans, expectations, express their expectations, how to plan life in present and future, can provide support, SWOT analysis, Gamification, Smart side of IoT, Problem statement from society, build some for society and Software security privacy were discussed.

Cyber Security (19-10-2020)

Speaker: Ms. Sharron Quadros, Senior Cyber Security Analyst, Netmonastery

Activity Summary: Following topics were discussed in detail: Type of Network, Gaining access of Network, Who can Hack, How systems and Mobile Phone get Hacked, How to secure your Computer and Mobile Systems, Different types of Viruses, Which Anti-Viruses to be used, Securing Password, Securing your bank account, Ethical hacking, Different Courses for Ethical Hacking and Jobs Available in Networking.

Even Semester

Operating systems (04-11-2020)

Speaker: Mr. Nagesh Mote, Vice-President, Barclays, Pune

Activity Summary: Mr. Mote explained the functions of O.S. They are: (1) scheduling tasks, (2) Management of resources, (3) Data management, (4) Execution of programs, (5) Provide an interface for performing tasks. Then he gave a few examples of OS: Desktop- Microsoft Windows, MacOS, Linux, Unix. Mobile- Android, iOS. Mr. Mote also explained the difference between Single user and Multiuser, like how Single User OS can be used by a single user at a time, the examples for the Single user OS are Windows, MacOS, DOS, Android. Then he explained how Multiuser OS is used by multiple users at same time. Then Mr. Mote sir explained User Interface like how it allows users to interact with the system. He explained various Recent Trends in OS. Firstly comes Privacy and Security. There are different parts in this type: biometric refers to security by fingerprints and many types, Encryption refers to security that the data is encrypted by user.

Mindsweeper (27 to 28-02-2021):

Speaker: Mr. Hannan Satopay, IEEE Bombay Section TPAC Secretary, Tinkercad Advisor - Autodesk & Mr. Shashank Bale, Technical Architect, Choice Techlab.

Activity summary: Mr. Satopay began with his topic to the contestants by explaining the meaning and benefits of coding competitions. He gave a short tour of various coding websites like Hackerrank, Codechef, HackerEarth, etc. Mr. Satopay showed the contestants how to solve challenges in the Hackerrank portal, how to select the level of difficulty, and what the best methods are to solve them. Mr. Bale spoke about the basics and how to solve the various difficulty levels of a code. He taught the contestant how not to worry about the complexity of the questions and always look for the basic ideas to start with. Mr. Bale showed them examples from the Hackerrank portal. The winners of the competition were graded on the basis of their code score, presentation skills & idea implementation.

ITSM (20-03-2021)

Speaker: Mr. Kausar Cementwala, Assistant Manager, Tata Communication Ltd.

Activity Summary: Mr. Kausar explained that DBMS market study-based on database, softwares used, deployment types as per requirements, user types, industry verticals, and region. He further added that the database can be further categorized as Relational and Non - Relational. The software is sub - segmented as database application builder, data scaling and replication, backup and recovery, and database encryption. Further the deployment type is categorized into cloud and on - premises. He later discussed trends used in database management system such as system integration, cross platform and cross product migration, SQL Azure, cloud computing and Data warehousing.

The Educator's guide to social media (06-03-2021):

Speaker: Mr. Sandeep Raut, Founder & CEO – Going Digital

Activity Summary: The speaker introduced key social media platforms and provided a few tips which one should follow while using any social media platform. Since the session was exclusively for our faculty members the resource person has guided our faculties about how to use LinkedIn to create networks, he even explained how one should prepare his/her profiles. Some points were discussed on how to grab students attention and get more likes on out posts.

Principles of Geographic Information Systems (18-01-2021 to 09-04-2021)

Speaker: Prof. Arun K. Saraf, Department of Earth Science, India Institute of Technology, Roorkee

Activity summary: Week 1: What is Geographic Information Systems? Essential components of GIS, Different types of vector data, Concept of topology, Demonstration through GIS software. Week 2: Raster data model and comparisons with vector, TIN data model and comparisons with raster, Non-spatial data (attributes) and their types, Vector Data Compression Techniques, Demonstration through GIS software. Week 3: Raster Data Compression Techniques-01, Raster Data Compression Techniques-02, Georeferencing, Pre- processing of spatial datasets-01, Demonstration through GIS software. Week 4: Pre-

processing of spatial datasets-02, Pre-processing of spatial datasets-03, Spatial Interpolation Techniques-01, Spatial Interpolation Techniques-02, GIS Analysis- 01, Week 5: GIS Analysis-02, GIS Analysis-03, GIS Analysis- 04, GIS Analysis-05, Demonstration through GIS software. Week 6: GIS Analysis-06, GIS Analysis-07, Attributes Classification Methods, Spatial Database systems and their types-01, Demonstration through GIS software. Week 7: Spatial Database systems and their types-02, Concept of NoData in Raster, Different map projections, Concept of digital elevation model (DEM) and how it is represented, Demonstration through GIS software. Week 8: Various techniques to generate digital elevation models-1, Various techniques to generate digital elevation models-2, Various techniques to generate digital elevation models-3, Digital Elevation Models and different types of resolutions, Demonstration through GIS software. Week 9: How to assess quality of a DEM, Integration of DEMs with satellite data, Common derivatives of DEMs - Slope and aspect-01, Common derivatives of DEMs - Slope and aspect-02, Demonstration through GIS software. Week 10: Common derivatives of DEMs - Slope and aspect-03, DEMs derivatives-1, DEMs derivatives-2, DEMs derivatives-3, DEMs derivatives-4.

Principles of Geographic Information Systems (03-04-2021)
Speaker: Dr. Snehalatha Kaliappan from IIT-Bombay and Prajwal.M from NIT Suratkal.
Activity Summary: 1. Installation of QGIS: System requirements to install QGIS Add QGIS repositories on Ubuntu Linux OS Installation of QGIS on Ubuntu Linux OS Visit the Official QGIS Website Download QGIS installer. 2. Coordinate Reference Systems: Add layers to the projections in QGIS Change the color of the layer Resize the panels on the canvas View metadata information for layers in QGIS Save selected features. 3. Digitizing Map Data: Create Point and Polygon shape files Digitize Point and Polygon shape files About Toggle editing and Add Feature tools Open attribute table for Point feature Open attribute tab. 4. Importing Spreadsheets: Import spreadsheets in CSV format to create a Point layer Convert Point layer to a Polyline layer About QGIS Geo Algorithm About WMS layers Select a WMS map from Bhuvan website. 5. Vector Data Styling: Load vector data in QGIS Open attribute table for the layer Learn to style vector layers using, Single symbol styling Categorized styling. 6. Geometric Properties of Vectors: Show attribute table for a shapefile layer Show selected features from attribute table on the map Change the CRS of the layer Add columns to the attribute table Calculate. 7. Raster Data Styling: Information about download and save example files from the Code files link Change Coordinate Reference System for the given layer Use Identify Features tool to view the pixel. 8. Creating a Map: Information on how to download the example files given in Code files link Add vector layer on canvas Show labels for the cities on the map About Print Composer tool. 9. Creating Dataset Using Google Earth Pro: About Google Earth Pro program. Download and install Google Earth Pro on Ubuntu Linux 16.04. Navigate Google Earth Pro. 10. Plugins: Information about the Plugins Enable Core Plugins Install an External Plugin Locate a Plugin on QGIS interface Install QuickMapServices Plugin Download OpenStreetMap data. 11. Table Joins and Spatial Joins: Load vector layer on QGIS canvas Open attribute table for the layer About different types of combining attribute data Add Delimited Text Layer on QGIS canvas. 12. Nearest Neighbour Analysis: Open shape files showing locations of volcanoes and cities on QGIS canvas Open attribute table for the layers About Nearest Neighbour Analysis Statistical analysis. 13. DEM Analysis: About Digital Elevation Model (DEM) analysis Open Shuttle Radar Topography Mission (SRTM) data website Download DEM data from SRTM data website Save DEM data from SRTM data webs. 14. Create Contour Lines: Add DEM on QGIS map canvas Clip area in DEM using Clipper tool About contour lines Show contour lines for the DEM Change the color of the contour lines. 15. He demonstrated the use of audacity software could be carried out for learning the basics of sound editing as well as what tools the software has on its interface. He also gave students a few of their own voice samples where they asked the fellow participants to carry out the sound editing procedure step by step with them simultaneously. He gave brief ideas about the detailed strategy to avoid distortions of sounds, learn to set proper amplitude, good control on input volume and adjusting it to requirements.

Creativity in Advertising (27-03-2021)
Speaker: Mr. Sarfaraz Siddiqui, creative at Lowe Lintas, actor, director, and script writer
Activity Summary: Mr. Siddiqui mentioned that creating any advertisement is about how one will communicate their thoughts in the given 10 or 30 seconds. According to him, meeting new people helps in creativity. He once watched about 72 films in a month, which helped him to understand and observe different cultures and people. While mentioning about the ideas behind any ad campaign, he said that ideas should come from life. He added that when a client provides a brief, the creatives should understand the problem and communicate the solution in a creative manner. When students asked Mr. Siddiqui about his favorite ads, he mentioned some brands such as Fevicol, Cadbury Dairy Milk, Fogg, Surf Excel, Center Fresh and Vicks. He also said he follows Piyush Pandey, Chief Creative Officer Worldwide and Executive Chairman India for Ogilvy and R. Balki while creating any ad. He advised students to follow the two creatives to learn advertising and understand life. He also mentioned that certain ideas need to be censored right from the beginning of the process. As the audience is changing, it is a complex process to reach the target audience. However, to get a wider reach, one should use simple ideas and human stories.

Two days Workshop on Animation and VFX (06-04-2021)
Speaker: Siddharth Menon, Trainer, CG Generalist and Animator and Mr. Navin Chitta, Sr. Trainer and Compositor, Prime Focus Academy of Media and Entertainment Studies.

(2D, Cel, Hand Drawn), 2D Animation. (Vector-Based), 3D Animation. (CGI, Computer Animation), Motion Graphics (2.5D, Typography, Animated Logos) and Stop Motion. (Claymation, Cut-Outs). He also guided students to create hand drawn animation. He also explained how the 2D animation, 3D animation, Motion Graphics and Stop Motion works. He introduced us to a new vector-based software called 'Maya'. We also learn how Animation Departments work in different categories. On the second day of the workshop, Mr. Navin Chitta explained how VFX is done in movies and how they create layers and backgrounds.

VAC: Social Media Management (18-01-2021 to 17-04-2021)
Speaker: Ms. Smita Deshmukh, writer, consultant, PR representative, professor, and media advisor
Activity Summary: Ms. Deshmukh emphasized on the importance of social media in today's world. She mentioned that interviewers usually ask questions related to social media platforms to the candidates, regardless of their field of study. Further, she added that in this VAC, students will understand social media from the business perspective as India holds a vast online audience and thus, major e-commerce firms are focusing majorly on the Indian market. As she shared the statistical data of Indians on internet and social media platforms, she advised that all media professionals must establish an online presence as the advertisers are turning their heads towards the social media influencers to promote their products instead of the traditional media advertisements. She used the term 'Choreographed News' to define the customized distribution of news

online. While explaining the need of a strong online presence, she mentioned an order of priority of social media platforms, which is as follows: 1) Twitter 2) Instagram 3) LinkedIn 4) YouTube.

CO-CURRICULAR ACTIVITIES

Department of Information Technology

Title	Value-Added Course on Apache Cassandra
Date	31-10-2020 02-11-2020 to 06-11-2020
Event Summary	

Networking and Systems Cluster of Department of IT organised a Value-Added Course on Apache Cassandra for TYBScIT students. 25 students enrolled for the course. The first session on 31st October 2020 was conducted by Mr. Yashowardhan Sowale where he introduced Cassandra Database and discussed real life case studies based on Cassandra. On the second day of VAC NoSQL database Concept & Cassandra Database Architecture were covered. The third began with introduction to Cassandra data model, later on the same day students have done the installation of Cassandra Shell on their terminals. On fourth & fifth

day CRUD operations and Data Modelling were covered where students have learnt basic to advanced queries to handle unstructured data and also learnt how to mapped relational database onto non- relational database. Real life Hotel Booking Application table designing in Cassandra database were discussed. On the last day of VAC connection of Cassandra database with Java application were covered where first the required drivers and the steps for connection were discussed then students could successfully transfer data between Java Application and Cassandra database.

EVEN SEMESTER: 04

Title	Value Added Course – "Hardware and Networking"
Date	07-11-2020 to 12-11-2020
Event Summary	

The first day of the value-added course consisted of the Introduction to hardware parts in a CPU consisting of various hardware components such as RAM, CMOS battery, SMPS, transistors, resistors, hard disk, NIC chip and many more. The second day was based on the protocols used in networking. The TCP/IP and OSI models were discussed. The IPv4 and IPv6 addressing schemes were discussed in addition to the protocol's models. The third day consisted of the OS (operating system) installation of windows 10 and Linux operating systems. The fourth day consisted of configuration of Mail, manually using SMTP, POP, and IMAP protocols. Different types of internet connections using the control panel was demonstrated using Dial-up and broad band connection, respectively. On the fifth day of the session, they were introduced to the socket programming by making them understand the need of libraries, methods, object flow, importance of data flow as well as the game based security concepts. On the sixth day of the session, students were introduced to the Hacking Machines on network. On each day of VAC, an assignment of 20 to 30 Marks was scheduled for all participants from 3:00 pm to 05:00 pm. Two Lab activities was given as assignment which consisted of PBL based. There were 19 participants for the course. All the attendees were provided with E-Certificates.

Title	Value Added Course – "Learn Linux in Easy Steps"
Date	17-11-2020 to 21-11-2020
Event Summary	

The first day covered Introduction to Linux, Directory structure, Login prompt, Basic command line syntax, File management. The second Session was on Directory Management, Copying Files, Moving Files, Removing Files. The third Session was on Vi Text Editor, Creating Files, File Permissions, Administrative Access. The fourth Session was on Updating User Passwords, Viewing Processes, Network Configuration, Package Management, Redirection. The fifth Session was on Programming in C/C++ using GCC in Linux. On each day of VAC an assignment of 20 to 30 Marks was scheduled for all participants. Two Lab activities were given as assignment. It consisted of PBL based on Linux commands. 31 students received the certificate of completion based on attendance and assignment submission. All the attendees were provided with E-Certificates.

Title	Apache-Cassandra Hands on Training for MSc IT Students
Date	13-02-2021
Event Summary	

Cassandra is a NoSQL Database. Students were trained on:
- Cassandra architecture and its components
- Data Centers and Data Racks and Data Replication

- Different replication strategies in database systems
- Write and read operations in Cassandra
- How to install Cassandra on systems
- Practical hands-on on Cassandra
- Basic commands and syntax of Cassandra and performed various operations on it. Like creating Dtabases, tables, inserting updating and deleting data.
- Different kinds of keys etc and replication methods.
- Various data types like timestamp and Identity data types.
- How to sort and display data according to various conditions and parameters

Title	Value-Added Course on "Open – Source Tools"
Date	13-02-2021
Event Summary	

The first day of the course included a brief introduction about Linux, its applications, job aspects. A brief introduction about what are shell scripts, where and how they can be used in the real time environment was given to the students. Further, the basic syntax for writing a shell script and the settings required to make the script executable were shown to the students. The students performed these steps at the same time. A few more shell scripts were taught to the students where they learned about implementing conditional statements, looping constructs, writing functions, and using Linux commands within these statements. The course helped students learn in depth about a new type of operating system, working with commands, and writing scripts to perform certain tasks on the machine. It gave them an exposure to explore the operating system.

Department of Commerce
ODD SEMESTER: 02

The first lecture introduced John Berger's 1972 treatise titled Ways of Seeing and how it altered the perception towards art, in general. Edited clips of different arrangements were presented to demonstrate John Berger's principles. Additionally, examples from film, painting and advertising were also presented to emphasize the same. The second lecture focused on the history of film communication with the development of camera, recording and visual perception.

Title	Human Rights and Political Correctness; Gender and Media
Date	17-07-2020 and 24-07-2020

Event Summary
A series of two lectures were conducted for TYBMM students by the Media and Communication cluster in an attempt to enable students to become socially and politically aware of allied concepts of human rights, gender and political corrects. The first lecture titled 'Human Rights and Political Correctness' was conducted on July 17, 2020 and the second lecture on 'Gender and Media' was conducted on July 24, 2020. The lecture on Human Rights and Political Correctness commenced with a short understanding of how the concept of political correctness emerged. To help present the varied perspectives, a brief understanding of the left and right political spectrum was provided. After clarifying the ideas on the same, the varied contentions on the concept of political correctness were presented to glean the layers of complexity the concept of political correctness is often embroiled in. It was finally understood that irrespective of the debatable nature of political correctness, the fact that it considers the social disadvantaged and attempts to reconsider the flaws in language is in itself a need to employ it in order to function as an ideal content producer and an ideal human being.

Title	Reporting during the Pandemic
Date	31-07-2020

Event Summary
Journalist Ms. Priti Gupta was the resource person of the session. She stressed how positivity has a major role to play alongside the terror and miss happenings in society. She elaborated

her experience while working in this critical situation of a pandemic and made a point to be sensitive towards the issue but at the same time, accurate. Balance is the greatest virtue of journalism and journalists should not hesitate to be unbiased.

He demonstrated the use of audacity software for learning the basics of sound editing as well as the tools on its interface. He gave students few of their own voice samples where they asked the fellow participants to carry out the sound editing procedure simultaneously.

Industrial **V**isits

An industrial visit is an exercise that creates an environment for students to interact with industry experts and individuals working in their field of interest. Experiencing a live industry environment whilst learning about the latest trends in technology and market demand enables students to better understand their subject domain. This equips them with the requisite information to develop their skills and enhance their perception of their academic programme.

As the country experienced a pandemic from March 2020, industrial visits were few and virtual in the academic year 2020-21. This was however balanced by a multiplication of webinars, workshops and training modules for students.

Title	**Virtual Industrial Visit to Bombay Stock Exchange**		
Date	October 25 and 26, 2020		
Department	BMS	No. of Students	50

CO-CURRICULAR ACTIVITIES:

LANTERN MAKING

On November 7, 2020, the VSIT Student Council hosted a session on LANTERN MAKING. It was led by Mr. Prince Choudhary and had something to do with Diwali. The workshop was initiated by Ms. Aishwarya Dhuri, and Mr. Choudhary continued it. Mr. Choudhary offered his creative experience, material and procedure understanding, and basic safety measures. The programme was well received and appreciated by the attendees. The pupils enjoyed the speech that concluded the lesson.
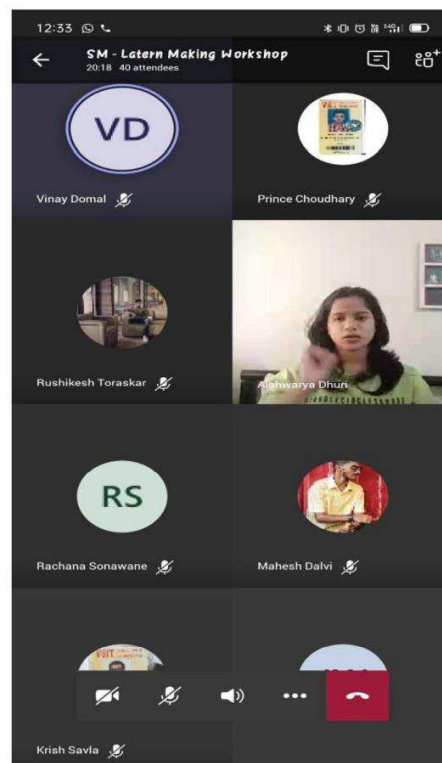

PERSONALITY ENRICHMENT THROUGH SINGING

A Personality Enrichment via Singing event was organised by the VSIT Student Council on July 22, 2020, from 4:30 to 5:30. The founder of Swaramaanas, Smt. Manasi Kelkar Tambe, introduced the event to the participants. The special visitor opened the lesson with a calming song, and the students and instructors gladly joined in. The interaction between the instructor, pupil, and visitor included experience sharing, inspirational speeches, and singing together. The event came to a successful conclusion, producing a memorable experience for those in attendance.
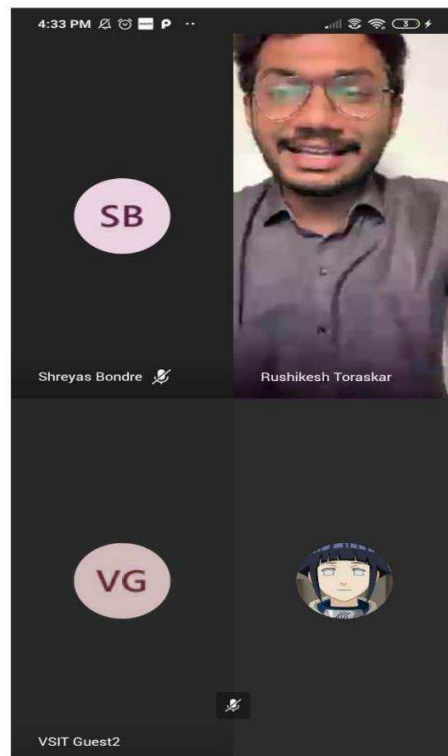

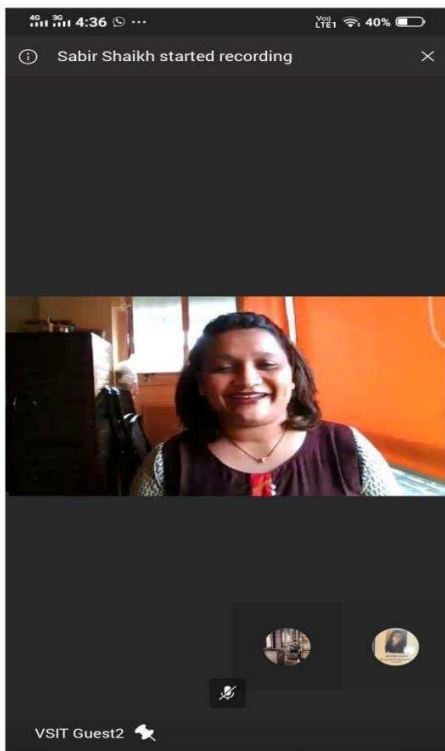

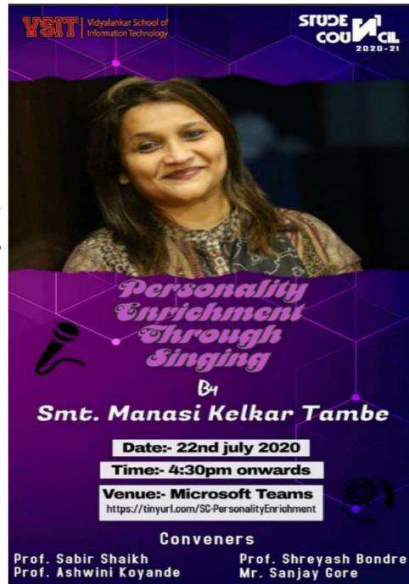

POT PAINTING

On March 13, 2021, the VSIT Student Council hosted a session on pot painting. Ms. Simran Paralkar led it, and Mr. Mihir Bapat initiated it. Ms. Paralkar discussed her creative process, her understanding of the tools and techniques, and some safety measures to take when engaging in this kind of activity. She maintained the participants' enthusiasm by painting two pots, one depicting a scene and the other an ebru. There were 83 participants, and the programme came to a successful conclusion with the children appreciating the closing address.

STYLING WITH SAKSHI

The VSIT student council sponsored Styling with Sakshi on July 25, 2020, from 12:30 to 1:30. The student council fashion show team was joined by Miss Sakshi Sampat, a well-known fashion designer. Miss Sakshi Sampat gave a presentation on fashion fundamentals to kick off the event, and the team then displayed numerous outfit choices.

Students and the visitor also requested advice on potential careers in apparel and fashion. The faculty and students enjoyed the occasion, and the student council did their best.

TEACHERS DAY CELEBRATION

The VSIT Student Council arranged the Teachers Day Celebration to show their appreciation for their favourite instructors' dedication and direction. It started at 4 o'clock and featured a variety of performances, including dance, singing, and poetry recitation. The Ganesh Chaturthi Challenge house scores and a little quiz for the more intelligent instructors were also organised. The faculty and students enjoyed the event, and the Student Council gave it their all.
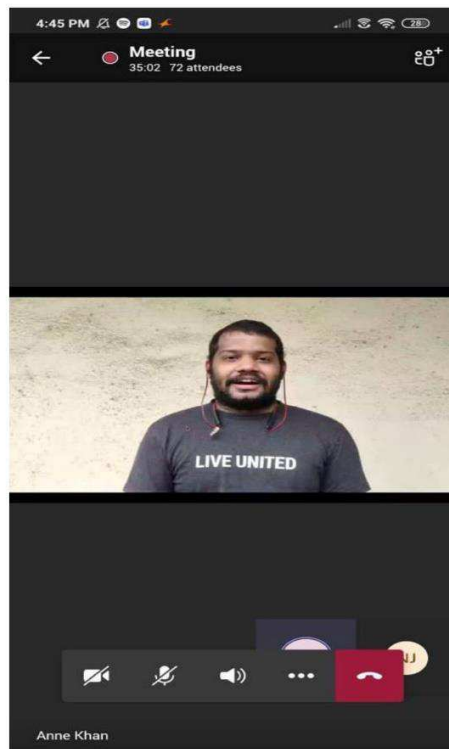

THE BIG BANG BASH

The VSIT student council sponsored the Big Bang Bash on September 19, 2020, between 12:30 and 1:30. A fun and entertaining part was incorporated in the Student Council's orientation to newcomers session. The Student Council was introduced first, and then some students showcased their singing and dancing talents. Additionally, there were activities that everyone enjoyed, like Read my Lips and the Emoji Quiz. The faculty and students were pleased with how neatly the event had come to a finish.

V - FANFEST

The VSIT student council organised the Fanfest on October 3, 2020, between 12:30 and 1:30. The college and outside Youtubers were invited to show off their skills. The students introduced their channels and addressed the audience on the virtual platform as the event got underway. The students were entertained when Mr. Siddhesh Surve, Mr. Neel Salekar, and Mr. Karan Sonawane debated the advantages and disadvantages of becoming a Youtuber. Both the faculty and the kids enjoyed the occasion.

THE ZUMBA FITNESS WORKSHOP

On September 26, 2020, the VSIT Student Council hosted a Zumba fitness workshop. It lasted an hour and was led by Miss Sampada Sonawane. The workout began with a simple warm-up to prepare the muscles for several fitness routines. Participants and council students both made the decision to turn on their cameras and take part in the discussion. The students responded well, and Ms. Sampada thanked the efforts of the council members, conveners, and the college for giving her the chance to instruct them in some unusual Zumba techniques. The college faculty members were pleased with how efficiently the event came to a finish.
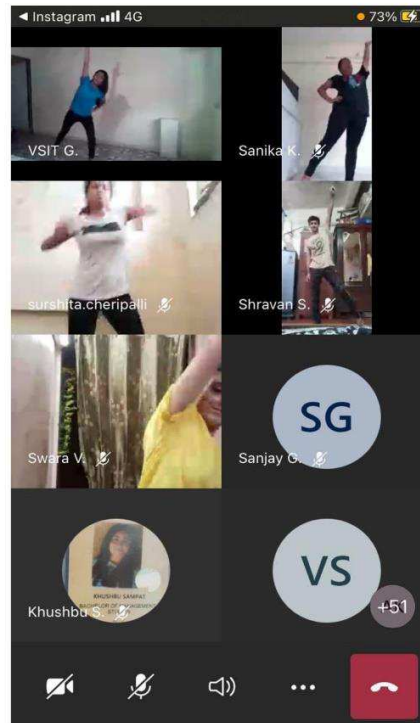

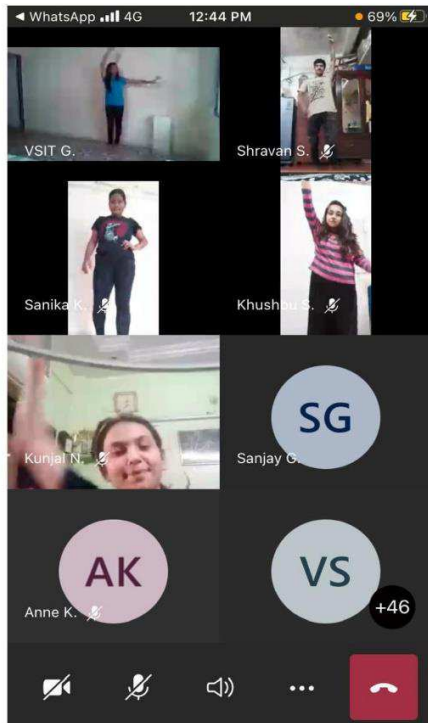

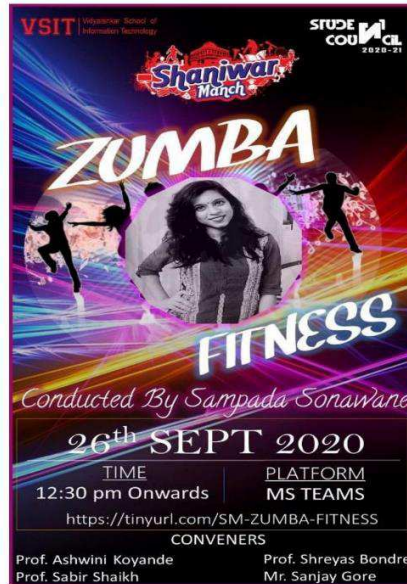

SHANIWAR MANCH – INAUGURATION

The student council planned the Shaniwar Manch Inauguration for the 2020–2021 academic year from 10:00 am to 3:30 pm on July 11, 2020. It signalled the start of the weekly activities the student council will carry out to safeguard the students' physical and emotional wellbeing. There were a total of six sessions, which were broken up by years and departments. The audience appeared to be really happy and was grateful for the Student Council's efforts in posting remarks in the chat box. A vote of gratitude was given to everyone who attended and to those who worked hard to make the virtual inauguration a success. Everyone anticipates the impending Shaniwar Manch, which will be organised for the students by the Student Council.

HUNAR

On April 24, 2021, the VSIT student council hosted Hunar, which was live broadcast on YouTube. 56 spectators saw the intra-collegiate tournament, which included 10 players. The candidates performed raps, sketches, dances, and songs to demonstrate their talent. Shashank Bhosale (FYBAMMC), Tanishaka Ghag (FYBAMMC), Omkar Tawate (FYBSCIT), and Yukta Surve (FYBMS) correspondingly received the results for first, second, and third place. The event was concluded with a statement of gratitude after the anchor provided advice to the competitors.
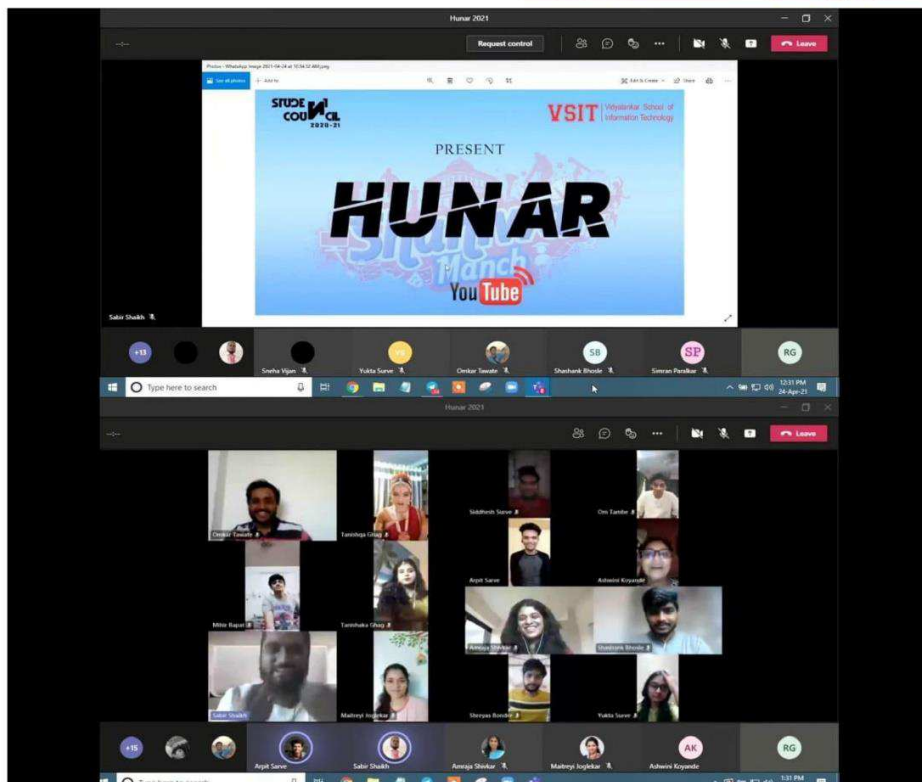

VERVE 2020-21

INAUGARATION

Date of Event   **27th January 2021**
Venue   **ZOOM**

VERVE is organised by the student council of VSIT, which is an amazing platform to showcase our talent and management skills, and the student council works hard and organizes different competitions under different categories like singing, painting etc.

The event kickstarted with the host elaborating this year's verve fest theme i.e. Mahabharat-Ek Adbhut Kahani jisne puri duniya ko ek adhyatmik sabak sikhaya. The event started on a holy note with Lord Krishna's verses to encourage everyone. Then it followed by introducing the house captains they are Ruby house-Aboli Khodwe and Dhruv Jethva , Topaz house-Sanket More and Sakshi Rokade , Sapphire house-Mansi Mali and Jerun Raja , Emerald house-Rushikesh Indalkar and Krutika Mahindrakar , Diamond house-Fatema Rampurawala and Arnav Chitari and they were named as per the name of five Pandavas.
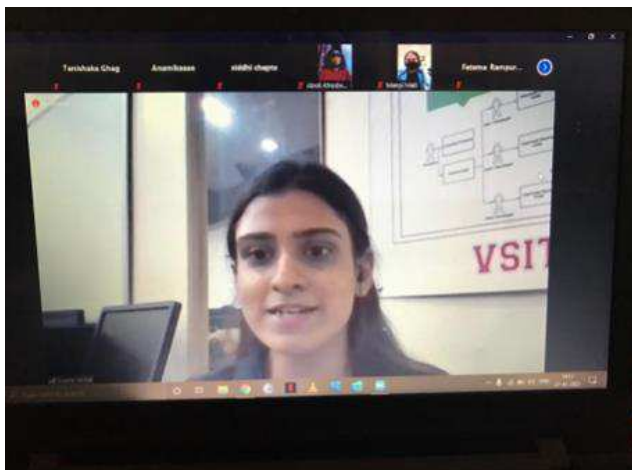

VIGOUR 2020-21

VIGOUR – Meme Maker

Date of Event	**8th February, 2021**
Venue	**Zoom**

On 8th February, 2021, Day 1 of Vigour, the student council of VSIT organised a fun event which was 'Meme Maker'. The event was from 3:15 to 4:36 pm on Zoom meetings. The warm welcome was given by the host Om Tambe to the judges of the event Atharva Wader and Anish Railkar.

The host introduced everyone with the rules of the event. Every participant was given a template through which the participants had to use their ideas and make a meme. All the participants were given 30 minutes of time to do so. The winner of the event will be awarded with the cash prize and a certificate. While the participants were preparing their memes, the host interacted with judges and asked them to share their experiences. The judges shared their story of how they decided to continue on this path and how they like to spread positivity among people by making them laugh.

Further, all the participants had submitted their memes and were getting judged by the judges. All of the memes were funny, relatable, and creative. Then the judges were asked to announce the winner of the meme maker event. In 1st place was Supriya Shaka, 2nd was Apurva Nakhawa and in 3rd place Sejal Shah. The judges were delighted by all the participants and appreciated all the hard work of participants and the Student Council. The event went smoothly and everyone enjoyed it. Once again, the student council did their best.

1st – Supriya Shaka – Goa
2nd – Apurva Nakhawa – Pondicherry
3rd – Sejal Shah – Pondicherry

VIGOUR – Ad Film Making

Date of Event	**9th February, 2021**
Venue	**Zoom**

On 9th February, 2021, Day 2 of Vigour, the student council of VSIT organised a creative event which was Ad Film Making . The event was from 4:10 to 4:24 pm on Zoom meetings. The warm welcome was given by the host to the judges of the event Mr. Indrajeet More.

The host started the event welcoming the Judge and the participants. The host asked the judge to say a few words of encouragement to all the participants. There were 4 participants who had submitted their amazing Ad Film. The Ad filmed by all the participants was incredible and unique. Then the judge was asked to share his views over all Ad Film of each participant.

The judge appreciated all the hard work of participants and the Student Council. The event went smoothly and everyone enjoyed it. Once again, the student council did their best.

Winners
1st – Rohan Dhuri

2nd -Ayishik Nandy

<div style="background:#E8743B">

BEST OUT OF WASTE

</div>

Date of Event	8TH FEBRUARY,2021
Venue	ZOOM MEETINGS

On the 3RD day of VIGOUR, BEST OUT OF WASTE competition was organized by the student council of VSIT on 8th February, 2021 between 11:30 to 12:30 on ZOOM MEETINGS. The event was kick-started by the council members, for the start participants got some instructions about the event and the judge for this event was sir Prabhal Das

Every team got enough time for their presentation. The videos were divided into various segments and in each segment audience and judges were able to explore new talents. The creativity of the participants were outstanding. This activity helped to enhance not only creativity and presentation skills of the participants but also helped them to realize the importance of recycling and reusing waste material available to them.

The creativity of the participants was much appreciated by judges and audiences.

<div style="background:#E8743B">

Carrom disc pool

</div>

Date of Event	9th February 2021
Platform	ZOOM & Carrom disc pool

The Carrom was a sub-event conducted by the student council under the VIGOUR 20-21 event. It was the traditional game of carrom under the new normal conditions i.e. It was played virtually on an application called Carrom Disc pool on the mobile platform. Keeping in mind the pandemic situation the event was conducted and supervised through an online streaming platform called ZOOM. The game carrom helps to develop the social skills such as communication, patience, focus and logical reasoning. The Carrom sub-event was held on the 9th of February 2021 from 12pm right up to 1:30 pm. The event was held in a knockout format.

The tournament was divided into 4 stages: round of 12, quarterfinals, semi final and final. Draws for the round of 12 were as follows: Jhansi vs Bangalore, Lucknow vs Pondicherry, Jhansi vs Jhansi, Jammu and Kashmir VS Goa, Vadodara vs Lucknow and Jhansi vs Pondicherry. The winners of this round of were qualified for quarter finals and the draws for the quarter finals were as follows: Jhansi Vs Pondicherry, Jhansi vs Jammu and Kashmir, Vadodara vs Pondicherry. The contingents which were selected for semis were: Pondicherry, Jhansi and Pondicherry but since there were 3 participants for the semi-finals the participants for contingent Pondicherry got Bye to the finals by unbiased way of selecting the chit.

Hence the semi-finals were between Pondicherry and Jhansi which was won by the patricians from Jhansi contingent hence we came across the final of the carrom tournament between Pondicherry and Jhansi and the final winner of the carrom tournament was the contingents Pondicherry.

Everything was well thought of. The event was carried out with at most transparency, unbiased and fair means. The function ended smoothly. The event was of great admiration and worth appreciating.

COD Mobile

Date of Event	11th February 2021
Platform	ZOOM & COD Mobile

The Call Of Duty was a sub-event conducted by the student council under the VIGOUR 20-21 event. It was the online battle royal game of war under the new normal conditions i.e. It was played virtually on an application called COD Mobile on the mobile platform. Keeping in mind the pandemic situation the event was conducted and supervised through an online streaming platform called ZOOM. The game COD helps to develop social skills such as communication, patience, focus and logical reasoning. The COD sub-event was held on the 11th of February 2021 from 10am right up to 11:30 am. The event was held in a Room teams format.

The tournament was done in one Room in the game where all the contingents were present in their respective teams and the battle was started to get Victory in the battle royal game. The teams were of the contingents Pondicherry, Jhansi, Vadodara, Bangalore, and Lucknow. The contingents who finally got the Victory was Pondicherry where they scored 520 points and held the cup of victory.

Everything was well thought of. The event was carried out with at most transparency, unbiased and fair means. The function ended smoothly. The event was of great admiration and worth appreciating.

DEBATE

Date of Event	8th February, 2021

Notable Events

I. Refresher Course on 'Data Analytics and Business Intelligence' sponsored by Rashtriya Uchchattar Shiksha Abhiyan (RUSA) in association with Vidyalankar School of Information Technology, Wadala, Mumbai,

A Refresher course on Data Analytics and Business Intelligence was organized where 43 participants participated across the country. The course was organized by UGC HRDC, University of Mumbai and sponsored by Rashtriya Uchchattar Shiksha Abhiyan (RUSA) and coordinated by Vidyalankar School of Information Technology,Wadala, Mumbai. Dr.Rohini Kelkar, Principal Vidyalankar School of Information Technology was the coordinator and Dr.Rajendra Patil, was co-cordinator.

Day 1: Dr. Rupa Rege Nitsure, Chief Economist, L&T finance holding , Mumbai Spoke on data analytics and Business intelligence in today's scenario. She explained very well the multiple facets and approaches and how different business are operating effectively due to data analysis.She beautifully spoke on business intelligence which covers data analysis that relies heavily on aggregation and business information.
Dr. Suresh Shann, Chief Information Officer Mahindra Finance spoke very well on the topic of Big Data for Commerce and Data Analytics and AI for E-Commerce - Case Study which is the need of an hour. He gave an enlightened speech on Data Mapping Pins, Artificial Intelligence, Data Generating and Consuming Models, Remote Sensing Platforms, Robotics which is really helpful to know how data analytics is helpful in Agriculture, Banking, Farming, Business Sector, etc. He excellently guided participants on use of Artificial Intelligence in Stock Management, Digital Transformation with examples. Mr. Rajesh Jakotia, Founder, K2 Analytics, Thane, spoke on Business intelligence in Financial Sector. He thrown light on credit assessment, how system got changed from 2005 to 2021, from human intelligence to artificial intelligence. He explained beautifully about credit analysis, credit risk score card, credit score, credit history, risk-based pricing.

Day 2: Asif Rampurawala, vice principal and head Department Of Information Technology, Vidyalankar School of Information Technology, Mumbai, taught about Data Analysis under different scenarios of business to make good decisions on profit making or cost minimizing. Mr.Mahesh Dubey, a trainer in

SAS institute, explained about the utility of SAS office analytics to analyses large volumes of data. He also explained the use of SAS software in the field of research. Mr.Pradeep Lokhande spoke about Situational Analysis of Industry and Agriculture with different corporate case studies. He also shaded the light on data accumulation and processing for data analysis. Mr. Rajesh Jakotia, Founder,K2 Analytics, Thane, spoke on Financial Analysis using Data Analytical Tools. He explained machine learning with example of home loan application, Supervised learning with examples of Loan credit scorecard and Buy Today Sell Tomorrow, Unsupervised learning with example of amazon in very easy, simple language. He also explained business intelligence and artificial intelligence in detail with day today life examples.

Day 3: Mr. Kedar Kelkar, Research Associate, CAFRAL, Reserve Bank of India, an experienced data scientist started a session on the topic "Data Analytical Methods in Corporate Finance". He explained data analytics by using R Software covering from very basic to advanced level of econometric that is Panel Data Analysis (plm model). Dr.Hiren Dand explained the basics of statistical data analysis tools in excel and provided hands-on training on how to use those tools and analyse the results. Prof.(Dr).Thirunavukkarasu K spoke about Process of Transforming data into business insights through Business Intelligence.

Day 4: Prof.Anshul Gupta, Associate Professor, ISME, Mumbai elaborated the concept of Financial Modelling, Data Mining, Algorithms Business Intelligence and Data Analytics. He provided hands- on training in MS Excel. Mr. Ajit Joshi elaborated the concept of, "Business Intelligence in BlockChain" in detail with the participants. During his discussion, Mr. Joshi were very focused on, "Basic of BlockChain", "Small Contracts", "Consensus", "Immutability" and "Provenance".

Day 5: All participants presented the seminar on the allotted topics as a part of evaluation. The seminar were evaluated by Dr.Sangita Kohli, Principal, Vedanta College, Kalyan, Principal Dr.Shobana Vasudevan, Principal, R.A.Poddar College, Mumbai and Dr.Rajashri Deshpande, HOD,Banking and Insurance,MCC College,Mumbai.

Day 6: Nikhil S. Gurjar an epitome of Academic & Industry background. The session was a combination of explanation, interaction, questioning, participation & practical aspects of Smart Supply Chain 3.0. It commenced with the discussion on Functional Loads, Sensor Technologies, Data Management Technologies, E-Commerce & E-Banking / Internet Penetration, Fin-Centric, 2020 New Methodology, Playbook Approach; Case Study - Automation of Gates, Parametric Elements, Issues touched - Compliance, Queuing, Combinatorial Problems; Information Technology & Project Management in Supply Chain Management, Project House - Change, Scope, Forward Looking Approach, 42 New

Frameworks, etc. **Wali A. Chaudhary**, *President – Retail*, in *Sunidhi Securities and Finance Ltd*, delivered a talk on Derivatives. He explained about futures, options, types of options, call options, put options, swaps, trends for buying and selling. He has also explained the buyer's right and Seller's obligations in put options as well as call options.

Day 7: Dr. Kinnary Thakkar, Professor and Head, Department of Commerce, University of Mumbai, delivered a talk on topic *"Business Intelligence and Financial Audit".* She explained how business intelligence is helpful for the auditors. She also elaborated the concept of Auditing and Business Intelligence by giving the examples of Deloitte, Big Bazaar etc. Dr. Dinesh Gabhane, Associate Professor in Rajeev Gandhi College of Management Studies, Navi Mumbai conducted a hands-on practice session on "Data analysis using SPSS", proceeded with various tests which can be applied in SPSS. He discussed multiple response analysis which is mainly used for open ended questions. He further demonstrated the steps for multiple dichotomy analysis.

Day 8: All participants were assigned with different assignments and Dr Pooja Raundale, Professor and Head, Sardar Patel Institute of Technology, Mumbai was an evaluator. Every participant was asked to explain their problem statement with solutions. Each participant was demonstrating their solution very well. **Dr. Pradeep Pendse**, Dean of Academics, We-School, Mumbai, delivered a session on Data analytics and Business Intelligence from Information systems point of view. He has envisaged IS and its importance from corporate data generation and usefulness point of view. He also explained how benchmarking could be used in order to compete in the market, with the help of Intelligent System. **Dr. Rajesh Save**, co-founder of ProWiz AI. He explained the relevant predictors, moderators in HR, and application of Machine Learning tools in predicting variables such as attrition, performance, learnability, engagement etc. He also explained a model of Attrition predictor useful for corporates to predict the flight risk of various categories of employees based on their personality and performance parameters.

Day 9: CA Shailesh Haribhakti with his versatile knowledge and rich experience in the corporate sector at various capacities shared his experiences as an interactive one. He highlighted the importance of three technologies, viz Information, Nano and Biotechnology. **Mr. Maneesh Jha,** a corporate trainer on the topic of Digital Marketing tool. He covered the various tools of digital marketing also taught, how to make Facebook page, use twitter , how to make the profile using online tools and how to create the website for promotion/marketing of any business/profession. **Mr.Anand Thacker**, Founder Director of IISFT Pvt. Ltd., guided participants on various concepts of international logistics and how business intelligence works in international logistics. He also explained how business intelligence is beneficial and gaining importance in the field of shipping, port, logistics, etc.

Day 10: Dr. Ajit More, In-charge Director of Bharathi Vidyapeeth Pune, delivered a session in a meaning way that how the data flows from raw to meaning output, explained how data mining plays an important role in knowledge processing and how the data is important to take the quality decision. He focused on how the WEKA tool supports data pre-processing, classification, regression, clustering, association rules and visualization. **Dr. Kamatchi Iyyer,** Director Program Coordinator at ISME Mumbai. She delivered a session on Big Data and Business Intelligence. She covered various examples where the pivot table and pivot chart can be use in a very easy and lucid manner. She enlightened the session and gave useful insides related to big data and business intelligence. **Dr. Raju Shanmugam,** Director of Unitedworld School of Computational Intelligence in Karnavati University, Gujarat, He explained the benefits of using the software ORANGE and gave hands on training for the software. It was a very simple and lucid explanation.

Day 11: Mr. Vijay Gawade, Vice Principal, Vidyalankar School of Information and Technology, Mumbai conducted a session on forensic accounting. He spoke about various terms of forensic accounting, Forensic Audit, court proceedings. He also explained many live examples with practical approach. **Mr. Sailesh Cousik** is part of the business process reengineering and ERP implementation core team, conducted a session on 'corporate frauds investigation using data analytics'. He covered the basics of Corporate fraud, investigation data, information analytics. MENS REA, ACTUS REA, types of fraud, corporate frauds, corporate triangle. then investigation meaning, investigation into affairs of a company, SFIO investigation process.

Day 12: Soubhagya Kumar conducted a session on the topic "Business Intelligence Tool: A Case Study of Nike". The session started with fundamentals of data and data gathering, the resource person then explained the applications of data analysis in the Indian scenario. **Mr. Vivek Sawant**, Senior Police, at Maharashtra Police Department's Cyber Cell. He explained about cyber hygiene and created an awareness. He covered some case studies with investigation process.

The reviews and feedback were taking by all the participants for this twelve days refresher course. During the valedictory session **Mr.Shiv Kumar Pandey** , Chief Information Security Officer, BSE, Mumbai was invited as chief guest. He addressed the audience by explaining the importance of Artificial Intelligence, Machine Learning incorporates. He also shaded the light on the operations of Bombay Stock Exchange. Dr.Shanti Director, UGC HRDC, also addressed the participants and also brief about UGC HRDC. Vote of Thanks were presented by Dr.Rajendra Patil , co-coordinator of Refresher course.

II. One week training program on "MS Teams - Learning Management System"

Vidyalankar School of Information Technology had organised a one-week training program on "MS Teams – Learning Management System" for teaching and non-teaching staff of VSIT. Due to COVID-19 Pandemic we need to shift from conventional offline mode to online mode. This training program was conducted to develop skills for online teaching-learning. This workshop was conducted on multiple day starting from 8th June to 12th June 2020.

Day 1: On 8th June 2020 Mr. Asif Rampurawala sir had conducted on PowerPoint. He has explained how to use PowerPoint for effective content delivery during online teaching-learning. Sir has given hands on training on very important features of PowerPoint like, master slide, applying slide layouts, getting design ideas for slides etc. This session was very useful in online teaching-learning process.

Day 2: On 9th June 2020 Dr. Rajendra Patil sir had conducted a session on Filmora for VSIT Teaching staff member. Filmora is timeline-based video editing software application. This application is useful in editing pre-recorded video lectures conducted by teaching staff members. Dr. Rajendra Patil sir has given hands on training on Filmora. All teachers found these skills gained through this video editing application were very useful.

Day 3: On 10th June 2020 Dr. Sarika Chouhan madam had conducted session on MS Teams, she has given hands on training on topic like how to create Teams and add members in it, how to manage channel feature also how to add assignments in Teams. In later part of session, she has explained how to share and collaborate files also how to share another apps or websites on MS teams. This session was very resourceful and later in VSIT all lectures and practicals of all courses were conducted online on MS teams.

Day 4: On 11th June 2020 Dr. Sarika Chouhan madam had conducted session on MS Forms and MS Streams. In this second part of training program, she has given training on how to add feedback form on MS Forms also she explained how to preview and share form. In later part of session, she has also given training on how to add video on MS streams also how to create group and channel on MS streams. At the end of this session a Manual was given to Teachers which was covering step by step process of above mentioned training.

Day 5: On 12th June 2020 Dr. Poonam Mirwani madam and Mr. Amit Kabra sir had conducted session on "Online Teaching learning – for accounts and Mathematics" Dr. Poonam Mirwani has started session on effective use of excel accounts subject. She has given hands on training using excel templates. In the second part of the session Mr. Amit Kabra has explained how to teach mathematics online using PowerPoint. He has given training on topics like how to add mathematical equations, how to create and edit tables required in mathematical problems. This session was well appreciated by accounts and mathematics teachers of VSIT.

III. Six-day Short Term Training Program (STTP)
"New Trends and Modern Approaches in Commerce and Management"

Vidyalankar School of Information Technology (VSIT) organized a six-day Short Term Training Program (STTP) titled "New Trends and Modern Approaches in Commerce and Management" between November 23 and 28, 2020. The STTP was organized by VSIT's Internal Quality Assurance Cell and the Department of Commerce on Zoom. The objective of the STTP was to impart to the participants the knowledge about latest developments, trends and methodologies in diverse fields of commerce and management, enabled through a series of lectures by experts and through participant engagement with the modules through assignments and case studies. Thus, the pedagogy involved, in addition to lecture sessions, exercises, case studies and live problem-solving. The lecture session was of 2 hours each and 10 hours each day was spent by the participants in assignments and case studies. Thus the STTP was a 30-hour training program.

Day 1	November 23, 2020	10 am to 12 noon

Topic:	Application of Block Chain in Business

The first day of the STTP commenced with an inaugural session led by a welcome address rendered by the Principal of VSIT, Dr. Rohini Kelkar. She was invited by Dr. Poonam Mirwani, IQAC co-ordinator. The Principal welcomed the participants and the resource person for the first session and explained the objective of the training program. This was followed by an address by the Vice-Principal of Commerce and Management, Mr. Vijay Gawde, who explained about the rationale behind the selection of the topics for the STTP. The resource person for the first training session, Mr. Ajit Joshi, was introduced

to the trainees by Ms. Prathma Nemane. Mr. Ajit Joshi is an erstwhile secretary, Computer Society of India, Mumbai Chapter and is currently employed in RedHat as National Alliance Manager. Mr. Joshi explained that his keen focus has always been enabling technology and its use in business and is also passionate about blockchain. He began his lecture by noting that blockchain is essentially a ledger, an accounting technology. He notes that it is concerned with transfer of ownership of assets. It is also concerned with measuring the rights and obligations of various parties in a transaction. He attempted to simply the concept of Blockchain through the use of examples and a breakdown of the process to clarify the concept. He explained the three levels of blockchain and also elaborated on use cases. He concluded the session by informing the participants about the different courses and opportunities that the latter can avail to educate themselves about blockchain and which courses are available for those without a background in technology. A vote of thanks was rendered by Dr. Poonam Mirwani.

Day 2	November 24, 2020	10 am to 12 noon

Topic: **Artificial Intelligence in Accounting and Finance**

The second day of the STTP was led by the resource person, Mr. Shailesh Haribhakti, Social Entrepreneur and Founder of Rural Relation. He started with assuming how the situation would be if he was in the year 2050. He noted that the world would be covered by lush greenery, abundant sunlight, clean water available to all and therefore a trust in the government and civic bodies that are able to achieve this. He notes how blockchain has taken over the world and the biggest accountants are the banks. He explains how there would be no need for data entry. And that data governance has become completely trustworthy. Through such an analogy he demonstrated and further elaborated on how artificial intelligence can revolutionize the field of accounting and also ensure privacy and optimum security. A vote of thanks was rendered by Mr. Sandip Kandekhar, HoD of the Department of Accounting and Finance.

Day 3 Session 1	November 25, 2020	10 am to 12 noon

Topic: **Recent Trends in HRM**

The first session of day three was led by the resource person Mr. Prasad Tokekar who was introduced to the audience by Ms. Nisha Dang of the Department of BMS. Mr. Tokekar is the Head ER and Compliances at Reliance Jio and has an impressive experience of 33+ years in the field of HRM. He expressed his delight to address the teaching crowd before speaking on HR in Media. He recollected his experience of working with the set-top box that was experimented on by Reliance Infocom in 2003. He spoke about how the team he worked with on such technologies for users and how it enabled to interact with different media personnel. He noted how the media is one of the areas at the forefront of digital servies platform provided to the consumers. He soon dived into expanding media contect and the business around it. He observes that there has been a convergence of media and technology which allows the former to become scalable. He soon elaborated on the trends in HRM in the media industry. The session was well-received by the participants who asked a lot of questions during the Q&A session. The vote of thanks was rendered by Ms. Prachi Agarkar.

Day 3 Session 2	November 25, 2020	4 pm to 6 pm

Topic: **Trends in Derivative Markets**

The second session of day three was led by the resource person Mr. Wali Chaudhary, President of Retail at Sunidhi. He was introduced to the participants by Mr. Amit Kabra from the Department of Financial Management. He began with noting how derivatives as a product or a commodity existed in India even before it was formalized in European and American markets. He also explained about the concept of Forwards, a customized bi-lateral product, and how it differs from derivatives. He also explained types of derivate contracts such as furutures, options, forwards and swaps. This was followed by an explanation of the use of derivatives. After an explanation of forwards, he moved to a discussion of futures, which are organized and standardised contracts and high on liquidity. This was followed by an explanation on option contracts. He also noted the types of options based on settlement. He soon explained breakeven and moneyness of options. He concluded by presenting various strategic options available in derivative markets.
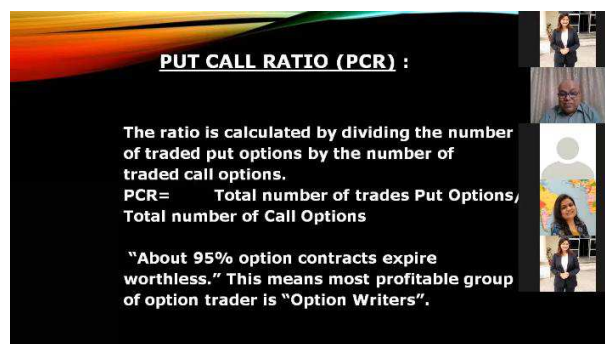

Day 4	November 26, 2020	10 am to 12 noon

Topic: **Situational Analysis of Industry and Agriculture**

The fourth day of the STTP was led by the resource person Mr. Pradeep Lokhande who was introduced to the audience by Dr. Swagatika Nanda. Mr. Lokhande began on a cheerful note and soon presented a preview of his talk. He stated that he would first discuss the farm bill that is a topic of much discussion at that time. The second part would be how rural India is changing and the third, a Q&A session. He stated that India has 3% land of the world, 6% water of the world by 17% land of the world and 55% of that population lives in rural India. He notes how rural India is changing with time. He began by explaining the merits of the farm bill. The farm bill allows the farmer to opt for alternatives to the APMC but it gives freedom to sell the produce to anyone they choose. He also explained about MSP and how it will remain same. The farm bill, he believes, opens for a global village where the farmer is now an entrepreneur. He also explains that it has its own problems. He also noticed the change in rural India and how farmers are now investing in many options other than the traditional options such as gold. The session was interactive, and many participants presented their questions to the resource person. The vote of thanks was rendered by Ms. Gunasundari Nadar from the Department of Accounting and Finance.
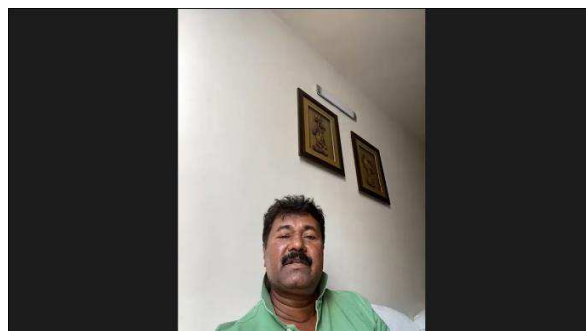

Day 5	November 27, 2020	10 am to 12 noon

Topic: **Emotional Intelligence**

The fifth day of the STTP was led by the resource person Ms. Bindu Narayanan who was introduced to the audience by Ms. Anindita Banerji, HoD, Department of Mass Media. Ms. Bindu Narayanan is a Corporate Trainer and also a Management faculty member. She spoke about the concept of Emotional Intelligence and what it entails. She notes that it is imperative for educators for educators have a role to play in impacting learners and their psychologies. She explains that intelligence is an abstract topic and so is emotional intelligence. She began to ask the participants to give names of intelligent people in the chat box. The names provided were mostly in the scientific field. And she explains how those in the creative fields are not immediately recognized as intelligent. The concept of multiple intelligence however, changed the bias towards the sciences in the perception of intellect. She notes how we live in an era of social revolution and therefore the need to handle ourselves is more important than ever before. She interacted with the audience through activities. The vote of thanks was rendered by Mr. Shreyas Bhondre from the Department of Accounting and Finance.
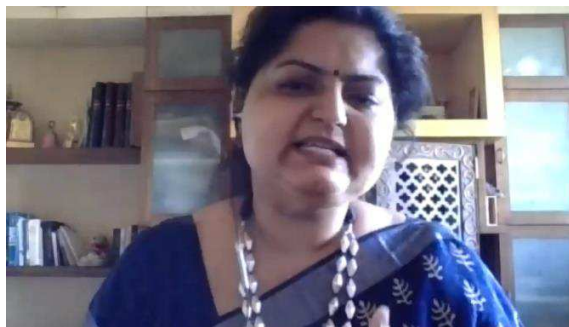

Day 6	November 27, 2020	10 am to 12 noon

Topic:	Competitive Strength of Indian SME: Plan and Recommendations

The sixth day of the STTP was led by the resource person Dr. Sachchidanand Shukla who was introduced to the audience by Mr. Sagar Gaikwad of the Department of Management Studies. Dr. Shukla is the Chief Economist of the Mahindra Group. He provided an enabling framework to analyse SMEs. He noted how the pandemic has probably the worst shock the world has faced since WWII. He spoke of the growth projections or the hit that economies have suffered during this crisis. He used this backdrop to understand the effect of emergency financing to different countries during the pandemic. He explained the macroeconomic impact on the Indian economy. He also explained sectorial resilience in the current situation. He provided a detailed insight into the topic of the session. The vote of thanks was rendered by Mr. Sagar Gaikwad of the Department of Management Studies.

IV. Six-day Short Term Training Program (STTP)
"Current Trends in Computing"

Department of Information Technology and Internal Quality Assurance Committee of Vidyalankar School of Information Technology, Mumbai had arranged a Short Term Training Program in "Current Trends in Computing" for faculties and MSc.IT students. This course was mainly focused on to provide insight about recent or emerging domains of Information Technology.
This course consisted of lecture series for the faculties to get some insight on recent or emerging domains of Information Technology, like Machine Learning, Data Science, Image Processing, etc. This lecture series has been conducted from 23rd November to 28th November 2020.

Following topics are covered in bridge course:

Day 1- Dr. R.Kamatchi Iyyer has conducted a hands on Data Visualization Techniques .She has covered a lot of topics which are very important for handling data on excel, like creating customized list ,graphical representation of data ,VLOOKUP's, consolidated options, pivot table and many more.

She has explained practically using MS Excel, how to work in excel in step by step process. She has also given us assignment so that we can practice and explore it more. She has solved the error of each participant, very calmly she is explaining everything. She has a very immense knowledge about the excel. Infact for learning it properly she has provided her datasets.

It was truly an interactive session as participants got an opportunity to understand, interpret & got the doubts clear. Sir, shown the practical using simple examples which helped in better understanding. With this he concluded the session. One of the participants proposed vote of thanks and day 1 of the STTP ended on a happy note.
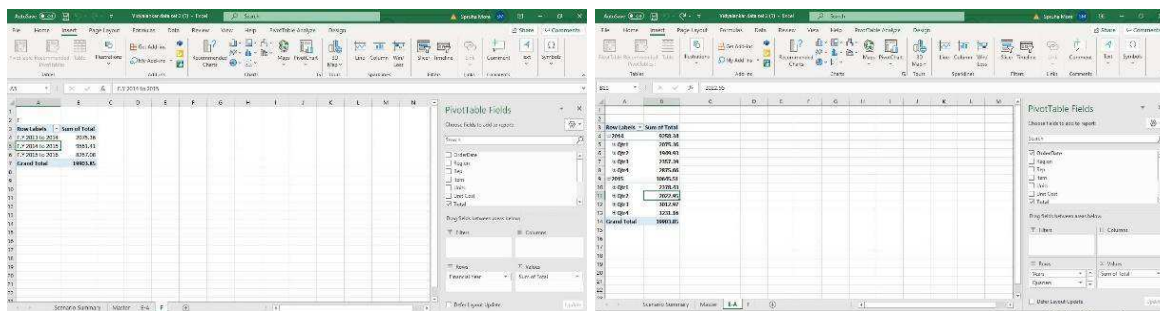

Day 2- Software architecture involves the high level structure of software system abstraction, by using decomposition and composition, with architectural style and quality attributes. A software architecture design must conform to the major functionality and performance requirements of the system, as well as satisfy the non-functional requirements such as reliability, scalability, portability, and availability. Dr Suma started with all traditional models by explaining them in short in order to understand how Agile Model came into existence. Dr. Sangita Chaudhari shared her valuable expertise in various fields with the participants. She guided about the Practical aspect of Software Architecture . She explained about Scrum introduction, Scrum origin , project noise level, Scrum Framework, scrum roles its terminology , estimation techniques and burn down chart. Every topic was explained with appropriate examples and also talked about different Use cases related to it.
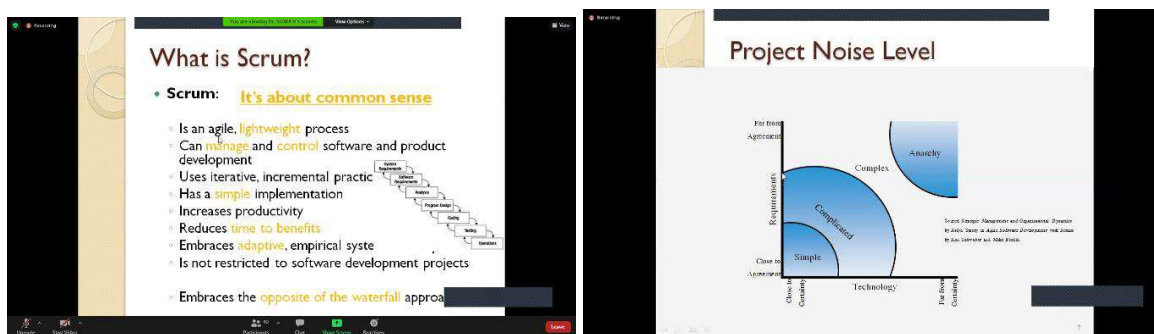

Day 3- Deep learning is an AI function that mimics the workings of the human brain in processing data for use in detecting objects, recognizing speech, translating languages, and making decisions. Deep learning AI can learn without human supervision, drawing from data that is both unstructured and unlabelled. Dr. Sangita Chaudhari shared her valuable expertise in various fields with the participants. She guided about the Practical aspect of Deep Learning using orange software. She explained about fetching file, creating own dataset, using existing datasets, plotting various visualization chats like bar

chart, scatterplot, mean, standard deviation etc. Participant also learnt about k means clustering, various types of distances, regression techniques like logistic regression, Navi Bayes, Neural Network, Random Forest and many more. She taught various Visualization Tools which can be used in Research. The vote of thanks was proposed by Ms. Pushpa Mahapatro. The event well was appreciated by the faculty members and students of MScIT.

Anshul Gupta discussed about the data collection for developing recommendation system. Incorporated data from external sources to increase the accuracy of recommendations. Used an ensemble of algorithms which recommends the users new products based on their previous ratings and updates the user preference over time by incorporating new ratings with minimal computation. Used state of the art methods like Matrix factorization, learning to rank, Collaborative filtering etc in brief. In the end of the session, trainer has given the assignments to explore more in the data science. Our convenor of the session concludes and given the vote of thanks.
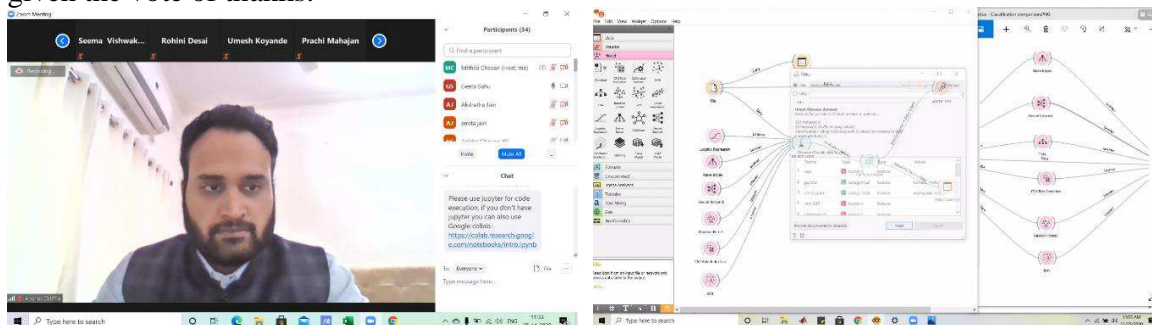

Day 4- In this session Dr. Rajanish K. Kamat explains topics like new dimensions in AI, IPv6 addressing. He told us about Interactive videos on google using google Ai Lab, also elaborate on Automation Intelligence and AI multiple domains, Neural networks. He has given example for Rainwater Harvesting using technique of Big data, AI and Machine Learning. The vote of thanks was proposed by Mr. Rajendra Patole the event was well appreciated by the faculty members and students of MScIT.

Mr. Soubhagya Kumar covered the following topics: What is virtual reality, need of Virtual reality from business perspective, Applications of virtual reality in real world. He has explained about the need of virtual tour by giving various examples such as Vashi electricals and WallMart. Through the representation in the video he made users understand the difference between traditional user interfaces and virtual reality and how the users are immersed and able to interact with 3D worlds. He has also talked on how by implementing virtual tour in his business they were able to generate more customers. He has taught the users it is important to understand Data Flow Diagram in a particular project so by understanding the basic requirements of the project organisations can solve customer queries. He discussed about the fully immersive simulators and how users get more realistic experience with complete sight and sound, Use of Artificial Intelligence in automate processes and how virtual reality could be used healthcare, real estate.

Day 5- Dr. Ramesh Manza shared his valuable expertise in the field of image processing with the participants. He started by explaining the basics of image processing and matlab but later on explained these concepts with two case studies. These case studies were selected wisely, one was from agricultural based domain on rice image and the other one was from medical domain on diabetic retinography. The implementation and application of image processing concepts using matlab coding was very well explained using these two case studies in the 2 hours session,
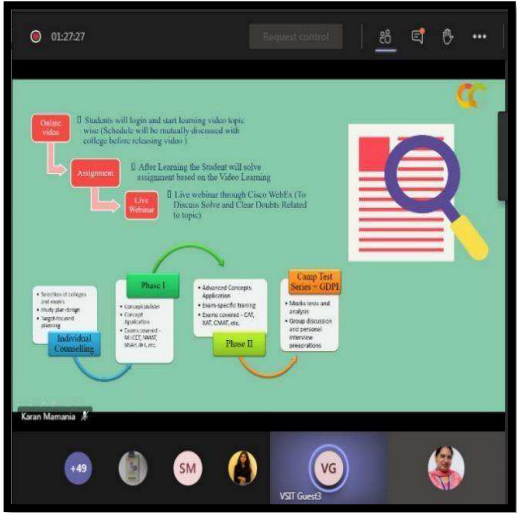

The take away of the entire session was the new learnings that the faculty members and students acquired in the field of image processing so that they can use this in their research.
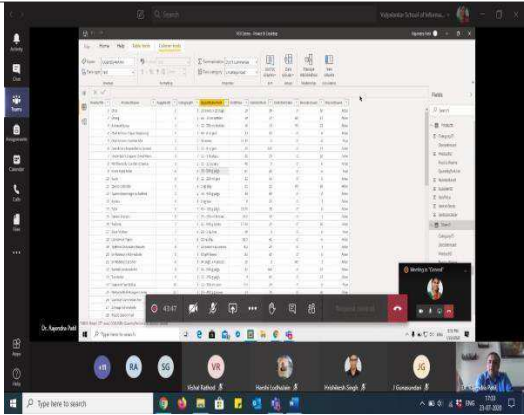

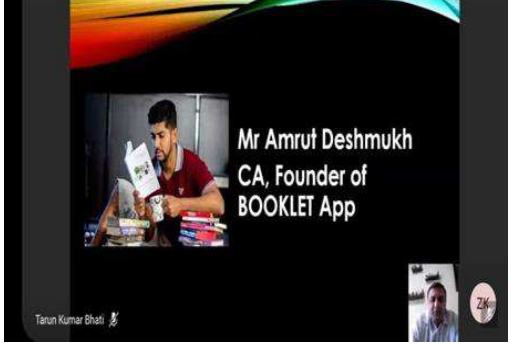

Dr. Sunil Nimbhore has covered the following topics: What is speech, basics of speech, importance of speech, perspective, areas, speaking style also on speaker dependency. He has explained practically using
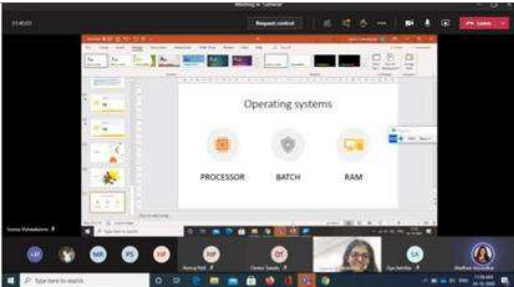

Python on how to work with speech recognition. Sir has shown different libraries which can be used to apply Voice/Speech recognition. It was truly an interactive session as participants got an opportunity to understand, interpret & got the doubts clear. Sir, shown the practical using simple examples which helped in better understanding. With this he concluded the session.
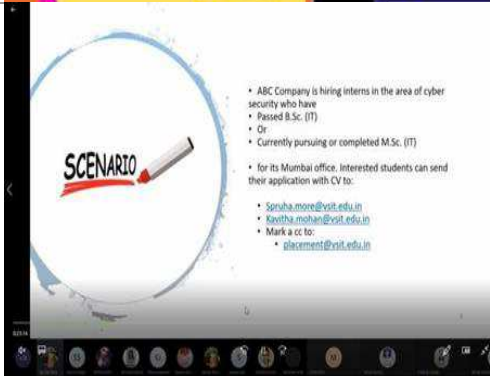

COMMITTEE ACTIVITIES

Sr No	Committee Name	Activity Name	Snapshots	Activity Details
1	Alumni committee	Know Your Seniors		Activity held on 20th September, 2020 The alumni students would tell them about various college activities, further studies, placements, extracurricular, co-curricular activities, it also included information about the lectures, practical's, beyond syllabus activity, study notes, merit batch, remedial batch, about VSIT campus, and faculty members.

		Alumni association meeting		Activity held 17th October, 2020 Alumni suggested some activities for the students and they themselves ready to take individual activity on the exceptional topics that will help student to develop different skills and personal development. Disscusion on different categories of students and framing of activities for such students. This activities will definetly boost students confidence and knowledge.
2	Career counseling committee	Seminar on higher education options after graduation		Activity held on 22nd – 24th October, 2020 Aim of the webinar for "higher education options after graduation" is how to cultivate or train brain and how to give a proper way for higher studies to each student

3	Entrepreneurship development committee	Workshop on Business Analytical using Power BI Executives		Activity held on three days-16th, 23rd and 30th of July 2020 The session was so informative hat it gave students an analytical view about the data, its storing, its uses, and how to benefit one's business by performing accurate analysis of the data. The way to earn money by providing freelancing data analysis. At the end, the students were given a task-based worksheet.
		Webinar on "ENTREPRENEURSHIP FOR YOUTH"		The webinar was held on September 16, 2020 how to create entrepreneur mindset, what to do if you are stuck in a miserable situation, how to learn from failure
4	Final year projects quality assurance committee	Induction program for final year project		Activity held on 20th August, 2020 The programme was arranged to make the students aware about the importance of
				their Final Year Project book.

		Webinar on review of literature	Identification of research topic
			
			• Mostly your professor assign you a topic
			
			• In other case
			  — First understand what you want to do
			  — Read recently published papers
			  — Then search website of libraries of reputed institutes
			  — Online Sources
			
			• Then select a topic
				Activity held on 31st October, 2020 The session was conducted for all the TY management and commerce students. the importance of review of literature and explained that a review of literature can only be done once the topic of the research is fixed.

5	Laboratory development committee	VAC on "Personal-To-Professional Grooming of a Student"		Activity held on 21st , 31st October & 7th November 2020. Technical part covered the basic networking part. Professional module contained PPT editing, working with word & excel. focused on image editing, flyer making, video editing
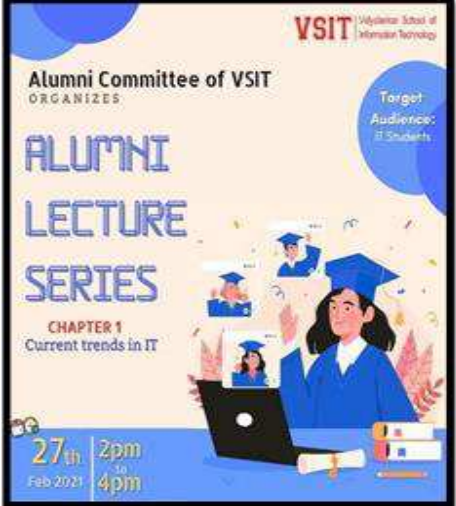

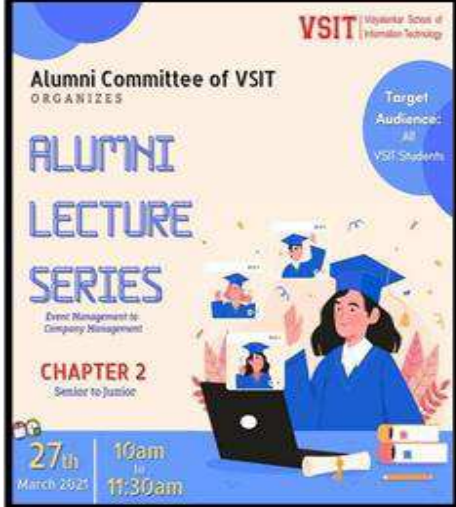

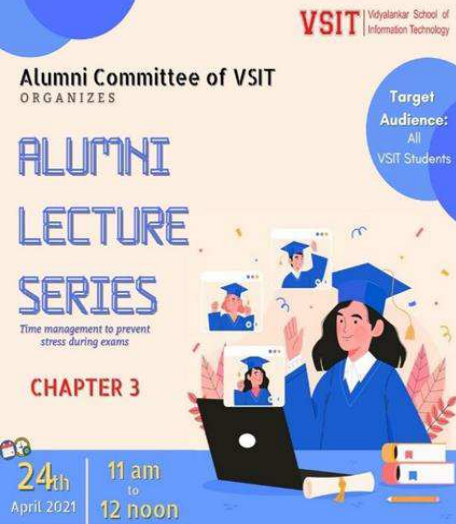

6	Library committee	'Goshti cha Taas'(Story Telling Hour)		Activity held on 31st July, 2020. To generate reading motivation among the student and faculty members by the way of storytelling session. To promote story writing and story narrating skills among the student.
7	Parent interaction	First Year Orientation Program – New Normal 2020		Activity held on 3rd – 5th September, 2020 The main objective of Orientation Program for Fresher's is to equip them with all the necessary information to dispel their doubts and lingering questions, apprehensions. It aims to provide answers to unasked questions. The students and parents were formally welcomed. The session was kept open for the queries of the parents as well as that of

				students, which were answered by the Vice Principals and Faculty members

					Total Participation	**6100**

Each year brings with itself new joys and opportunities. Academic initiatives are undertaken with great enthusiasm and commitment by the Team at VSIT and this inspires students to willingly participate in the teaching-learning experience, in the classroom and beyond. The academic and holistic interactions across generations in this campus mould the future of the country. Changes are welcome in a campus groomed to grow and remould itself every year. From research conferences to cultural festivities, from expanding infrastructure to growing class sizes, from traditional to tech-empowered teaching methodologies, the sky is the limit at Vidyalankar School of Information Technology.
