VSIT EXPRESS

June - July 2022

PRINCIPAL SPEAK

What are your thoughts on VSIT's first student-driven newspaper?

It is a novel idea to have our own newspaper, completely driven by the students. There are many aspects of printing a newspaper and as a part of the mass media department, our students should be well-acquainted with the same. I am looking forward to a newspaper, which will not only be popular on campus but will soon be much sought-after document among the student community in Mumbai.

What qualities should students inculcate to become responsible journalists?

Aspiring journalists should be good readers first. They should collect facts from authentic and verifiable sources, and exercise maximum objectivity in their thoughts and actions. Furthermore, they must be diligent and pursue the truth relentlessly.

Life is like riding a bicycle. To keep your balance, you must keep moving, Albert Einstein

VSIT celebrated its first ever International Bicycle Day (June 03) on June 18. Students prepared posters and slogans for the celebrations. 50 students rode bicycles to the college campus, to encourage society to adopt the eco-friendly form of transportation.

CAMPUS FASHION

Fashion defines us and is a mode of expression. Footwear during monsoon - boots, jelly shoes, flats, floaters and sturdy footwear - is both practical and trendy today. A neat bun, a ponytail or braid is the perfect hairdo for college. Cotton pants, cargo pants and flared jeans offer comfort. Even as we perform through fashion, it is vital that we follow dress codes and exude professionalism. What is your go-to #ootd? Email it to the editor yukta.gholap@vsit.edu.in

This was done all day at "Antophill," "Korba," (Wadala), "Lalbaug," and "Worli." Over 1,465 children were immunised.
